PUR-1445
ADDENDUM NO. 2
INVITATION TO BID

SWIMMING POOL & WATER/WASTEWATER TREATMENT CHEMICALS

DATE: Monday, September 30, 2019

BIDS DUE: Wednesday, October 9, 2019
2:00 P.M.

To Bidders:

This Addendum is hereby made a part of the Contract Documents on which all bids will be based and is issued to correct and clarify the original documents.

Please acknowledge receipt of this Addendum at the appropriate space on the Proposal Form. This Addendum consists of two (2) pages and one (1) attachment.

NOTE: All Bidders must enter the Washington County Administration Complex through either the front door at the 100 West Washington Street entrance or through the rear entrance (w/blue canopy roof) which is handicap accessible and must use the elevator to access the Purchasing Department to submit their bid and/or to attend the Pre-Bid Conference. Alternate routes are controlled by a door access system. Washington County Government has announced new security protocols being implemented at the Washington County Administration Complex at 100 West Washington Street, Hagerstown. The new measures took effect Tuesday, February 14, 2017. The general public will be subject to wand search and will be required to remove any unauthorized items from the building prior to entry. Prohibited items include but are not limited to: Weapons of any type; Firearms, ammunition and explosive devices; Cutting instruments of any type - including knives, scissors, box cutters, work tools, knitting needles, or anything with a cutting edge, etc.; Pepper spray, mace or any other chemical defense sprays; and Illegal substances.

ITEM NO. 1: *Inquiry:* I have a question regarding the above mentioned bid for Swimming Pool & WWTP Chemicals. For Items 16A and 16B, it's clear that 15 and 55 gallon drums of Hydrofluosilicic Acid are needed at the Sharpsburg Plant & Cascade Well House, but on page 28 it also lists RC Willson Plant, at 15,000 gallons. There is not a line item for this, nor is it clear if this is for drums or bulk. Please advise.

Response: Refer to the bid document, Page 28, Detailed Technical Specifications, Item No. 16A & 16B Hydrofluosilicic Acid (H₂SiF₆) 30%; **CHANGE**, the description to read as follows: #16 (16A,16B,**16C and 16D**) - Hydrofluosilicic Acid (H₂SiF₆) 30% and **CHANGE**, the estimated annual usage for R.C. Wilson to read as follows: 15,000 gallons **Mini Bulk and 55-gallon drums.**

- ITEM NO. 2:** A *REVISED* Form of Proposal (Pages 1 - 14) have been included as an attachment to this addendum. The revision resulted in adding item numbers 16C and 16D to Detailed Technical Specifications and changing the estimate annual usage and adding a line item for pricing of Items 16C and 16D to the *REVISED* Form of Proposal.
- ITEM NO. 3:** Bidders shall submit the Signature to Bids, contained in the original bid document and the attached *REVISED Form of Proposal* (Attachment "A") as their bid submittal no later than **2:00 P.M., (EDT/EST), Wednesday, October 9, 2019**

By Authority of:

Rick F. Curry, CPPO
Director of Purchasing
