

RESOLUTION NO. RS-06-035

(Purchase of Dell blade servers (the "Servers") for the Washington County Information Technologies Department, under an intergovernmental cooperative purchasing arrangement with Western States Contracting Alliance ("WSCA"), pursuant to Section 1-106.3 of the Code of the Public Local Laws of Washington County, Maryland)

RECITALS

The Code of the Public Local Laws of Washington County, Maryland (the "Public Local Laws"), §1-106.3, provides that the Board of County Commissioners of Washington County, Maryland (the "Board") "may procure goods and services through a contract entered into by another governmental entity in accordance with the terms of the contract, regardless of whether the county was a party to the original contract."

Subsection (c) of §1-106.3 provides that: "A determination to allow or participate in an intergovernmental cooperative purchasing arrangement under subsection (b) of this section shall be by resolution and shall either indicate that the participation will provide cost benefits to the county or result in administrative efficiencies and savings or provide other justifications for the arrangement."

Purchase of the Servers by "piggy-backing" on a bid processed by WSCA and eliminating the Board's bid process would result in administrative efficiencies and savings for both the Washington County Information Technologies Department and the Washington County Purchasing Department. Using the WSCA contract award, the Board will be able to acquire the Servers from Dell Computer/Marketing Corp. ("Dell") of Round Rock, Texas for a total price of \$45,645.54.

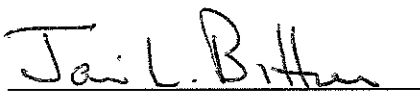

The Board expressly finds that entering into a purchase agreement with Dell under an intergovernmental cooperative purchase arrangement with WSCA for the purchase of the Servers would be in the best interests of the citizens of Washington County.

NOW, THEREFORE, BE IT RESOLVED, pursuant to §1-106.3, that the Board enter into a purchase agreement with Dell for the purchase of the Servers under an intergovernmental cooperative purchase arrangement with WSCA.

Adopted and effective this 17th day of October, 2006.
