

RESOLUTION NO. RS-08-02

(Award of a contract for consulting services for pavement data collection (the "Consulting Services") from Enterprise Information Solutions, Inc. ("EIS") of Columbia, Maryland, under an intergovernmental cooperative purchasing arrangement with Howard County, Maryland, pursuant to Section 1-106.3 of the Code of the Public Local Laws of Washington County, Maryland)

RECITALS

The Code of the Public Local Laws of Washington County, Maryland (the "Public Local Laws"), §1-106.3, provides that the Board of County Commissioners of Washington County, Maryland (the "Board") "may procure goods and services through a contract entered into by another governmental entity in accordance with the terms of the contract, regardless of whether the county was a party to the original contract."

Subsection (c) of §1-106.3 provides that: "A determination to allow or participate in an intergovernmental cooperative purchasing arrangement under subsection (b) of this section shall be by resolution and shall either indicate that the participation will provide cost benefits to the county or result in administrative efficiencies and savings or provide other justifications for the arrangement."

Acquisition of the Consulting Services by "piggy-backing" on a bid processed by Howard County, Maryland and eliminating the Board's bid process would result in administrative efficiencies for Washington County. Using the Howard County, Maryland contract award, the Board will be able to acquire from EIS the Consulting Services for the sum of Ninety-Nine Thousand Seven Hundred Fifty Dollars (\$99,750.00), and additional services as required in FY'09 at the unit prices contained in the contract.

The Board expressly finds that entering into a contract with EIS to purchase the Consulting Services would be in the best interests of the citizens of Washington County.

NOW, THEREFORE, BE IT RESOLVED by the Board, pursuant to §1-106.3, a contract is hereby awarded to Enterprise Information Solutions, Inc. of Columbia, Maryland for the purchase of consulting services for pavement data collection

under an intergovernmental cooperative purchase of services arrangement with Howard County, Maryland .

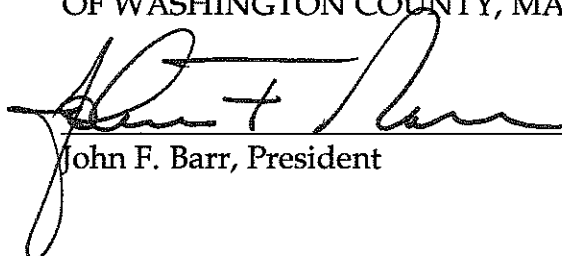

Adopted and effective this 25th day of March, 2008.
