To Bidders:

This Addendum is hereby made a part of the Contract Documents on which all bids will be based and is issued to correct and clarify the original documents.

Please acknowledge receipt of this Addendum at the appropriate space on the Proposal Form. This Addendum consists of two (2) pages.

ITEM NO. 1: *Inquiry: Please advise if the work indicated in Districts 2, 3, 4, 5, 6, 7, 8, 9, 10, 13, 17, 20, 21, 22, and 34 are included in this contract or not. These districts are clearly indicated throughout the documents as "Not in Contract", as can be immediately evidenced in the bidding documents Table of Contents (Table of Contents, p 7-9) among numerous other locations. Additionally and directly contradicting to the "not in contract" language, the quantities indicated on the Unit Price Schedule (Bid Form, p4) appear to include work that is located in the aforementioned excluded districts.*

Response: The Tables and Figures included as the "Sanitary Sewer Rehabilitation Tables and Figures" identify Work included in this Project. This includes select work from Districts 7, 8, 9, 12, 17, and 22. The Tables and Figures for "Not in Contract" work includes items located within Districts 7, 8, 9, 17, and 22 that are not included in this Project. The quantities listed in the Bid Form for which Bidders must provide unit prices represent the estimated quantities of "in Contract" work included in this Project. The Bids shall be based on the estimated quantities provided on the Bid Form.
