ONLINE REGISTRATION

Webtrac is the Washington County Recreation Department's online registration system. This software provides our customers with an additional method of registering for most programs. Those with internet access can view program availability, register for programs, and view their program history 24 hours a day! You must open an online registration account by visiting www.washcorecfit.com. You will be required to select a username and password for your family/household. Once registered on Webtrac, you can "shop" for activity enrollment by selecting your programs, placing them in your shopping cart, and checking out using a Visa, Mastercard or Discover to complete your transaction on our secured site. Upon completion of event registration you will be issued an e-mail receipt and notification. You must make complete payment at time of registration. Partial payments will not be accepted. If you need assistance with online registration you may call the Washington County Recreation Department Office at 240-313-2805. In the event that you have forgotten your password, you may use the password recovery link on the login page to retrieve your password. Phone: 240-313-2805 (Monday - Friday 7:30 a.m.-4:00 p.m.)

INCLEMENT WEATHER POLICY/CLASS CANCELLATIONS

When HCC is closed, all programs held at that location are canceled! All other program locations: If weather is a concern it is the participants responsibility to call the Weather Hotline for cancellation announcements. Weather Hot-Line: 240-313-2811

PROGRAM CANCELLATIONS

Sometimes excellent courses with super instructors are cancelled because too many people wait until the last minute to register. Our courses have to be cost-recoverable, and we need a minimum number of students enrolled before a class can run. Don't wait! Register now for a class of your choice. The Recreation Department reserves the right to cancel, postpone or combine classes for any reason found to be necessary by the staff. If insufficient enrollment causes an activity to be canceled, participants will receive a FULL REFUND. When a class is rescheduled by our department, no refunds will be given. Please allow 2 weeks for the processing of refunds.

REGISTER EARLY!

Early program registration is encouraged because participant space is limited with each program. Registrations are accepted on a first come, first served basis. Pre-Registration is REQUIRED unless otherwise indicated. Please note, our special events are very popular and fill-up very quickly. Make sure you register early for special events in order to attend - most special events require that you have a ticket prior to the event date.
