Participants in advanced levels will learn a variety of strokes, personal safety skills and diving techniques. We welcome parents and guests to watch the lessons in designated areas while our instructors provide fun, in-water training. PROGRAM CANCELLATIONS

Sometimes excellent courses with super instructors are cancelled because too many people wait until the last minute to register. Our courses have to be cost-recoverable, and we need a minimum number of students enrolled before a class can run. Don't wait! Register now for a class of your choice. The Recreation Department reserves the right to cancel, postpone or combine classes for any reason found to be necessary by the staff. If insufficient enrollment causes an activity to be canceled, participants will receive a FULL REFUND. When a class is rescheduled by our department, no refunds will be given. Please allow 2 weeks for the processing of refunds.

REGISTER EARLY!

Early program registration is encouraged because participant space is limited with each program. Registrations are accepted on a first come, first served basis. Pre-Registration is REQUIRED unless otherwise indicated. Please note, our special events are very popular and fill-up very quickly. Make sure you register early for special events in order to attend - most special events require that you have a ticket prior to the event date.
