

ARC Preliminary Project Description

Project Name: _____

Applicant: _____ County: **Select One** _____

Contact Person: _____

Email Address: _____ Phone: _____

Project Description:

Organizational Capacity (*Please describe the organization's ability to administer a federal grant, including recent awards*):

Project Name: _____

Goals and Objectives

List the primary ARC goal as well as the primary state objective and strategy that the project will address. A list of ARC goals and the most recent State objectives and strategies are available at <https://www.tccwmd.org/wp-content/uploads/State-Strategic-Goals-and-Objectives-2024-2028.pdf>

ARC Investment Goal:

State Objective:

State Strategy:

Performance Measures

List the expected outputs and outcomes of the project using ARC's list of acceptable performance measures and provide achievement timeframes (*Definitions and timeframes should be included in the "Notes" section*).

All outputs and outcomes must be quantifiable (*listed with an associated numeric value*) and defined in the context of project activities (*i.e. how do you define "served" and "improved"*).

For information on identifying outputs and outcomes, see <https://www.arc.gov/resource/guide-to-arc-project-performance-measures/>. An Index of ARC Performance Measures is available at <https://www.arc.gov/wp-content/uploads/2023/06/Full-Index-of-ARC-Performance-Measures.pdf>.
