- If approved below submit application for the primary record indicated above only. A separate Stormwater Concept Plan (SWCP) record will not be initialized. The combined plan must still address all required elements in accordance with Section 3.7 of the Washington County Stormwater Management Ordinance. The \$200 SWCP review fee will be assessed under the primary record in addition to the primary plan fees. To avoid delays a copy of this pre-approval form must be included with the application documents.

- If denied below a SWCP must be submitted and approved prior to submission of the primary plan type in accordance with the regular requirements.
