### Director's Comments

Washington County's Charitable Gaming Program continues to have a significant impact on small businesses, veterans organizations, fraternal clubs and charities in Washington County.

This funding has been used to feed the hungry, provide healthcare to the uninsured and under-insured, fund after-school programs, provide public safety, educate the developmentally disabled, treat veterans with traumatic injuries, provide mental health services, and to allow our youth to engage in recreational activities to combat obesity, in addition to many other worthy causes.

Equally important is the fact that Washington County's Charitable Gaming Program continues to be a source of significant income for small businesses whose participation in the program is vital to its success. This income allows small businesses to prosper and employ Washington County citizens. The program also allows fraternal and veterans organizations to fulfill their philanthropic obligations and provide services to the disadvantaged or those returning from military service.

It should be noted that 100% of the funding provided, and the administrative costs associated with the program are paid by those choosing to participate in the program. This program is operated at absolutely no cost to the Washington County taxpayer unless they choose to participate.

In fiscal year 2019, Gaming Fund revenues collected totaled \$2,044,999.55 representing an increase of \$68,625.79 when compared to fiscal year 2018 revenues. Based on first quarter revenues in fiscal year 2020 we project total revenues to continue to move in an upward trend.

With the direction, oversight, and support of our state and local elected officials, and an uncompromising policy of open and transparent accountability, our charitable gaming program continues to be revered as a model charitable gaming program that will continue to provide a financial lifeline to Washington County charitable organizations and provide economic benefit to the County and its citizens for many years to come.

Respectfully submitted,

*Susan Buchanan, Director*

# Gaming Fund Allocations

Washington County's Charitable Gaming Program funded 87 requests for funding in fiscal year 2019. On August 6, 2019, the Washington County Gaming Commission announced the distribution of \$2,053,141.05 which includes \$8,141.50 of returned gaming funds from the previous year to local charitable organizations and the Washington County Volunteer Fire and Rescue Association. This year's total represents an increase of \$68,625.79 when compared to fiscal year 2018 revenues.

Total Applications Received	100
Number of Organizations Submitting Applications	84
Total Number of Applications Receiving Funding	87
Total Number of Applications Receiving Full Funding	16
Total Number of Applications Denied Funding	13
Total Number of Organizations Receiving Funding	81
