

## **PARENT GUIDE 2026**

### **MARTY SNOOK PARK**

The Marty Snook Camp is an all-outdoor camp. The program is designed for campers ages 5 to 12 years old to match their energy level and apply their creativity. Each week campers will swim Tuesday through Friday. Activities will include, but are not limited to: Sports, Games, Arts & Crafts, Team Building Games, STEM Activities, Academic Challenges, and of course swimming. Campers will be divided into age groups for age-appropriate activities. Campers are classified into age group based on their age on the first day of the weekly camp session. The camper must be at least 5 years old and not older than 12 years old on the first day of the weekly camp session. (A camper may be 13 years-old if he/she is 12 at the beginning of the weekly camp session. After that week, the camper will no longer be able to participate in camp.). All campers must possess appropriate toileting skills.

#### **Camper's "HOME" Pavilions**

*Youth Camp, 5 yrs – 7 yrs (Pavilion 3)*

*Junior Camp, 8 yrs – 9 yrs (Pavilion 2)*

*All-Star Camp, 10 yrs – 12 yrs (Pavilion 1)*

#### **Program Highlights**

All Marty Snook campers will have swimming pool time Tuesday through Friday. Pool fees are included in the camp program fee for the Marty Snook Camp. Pool concessions will be available for additional fees. The parks and recreation department is not responsible for lost or stolen concession money. All campers will swim from 12:00pm-1:00pm. Campers will start changing from the pool at 1:00pm and start heading back to their pavilion.

### # 3 Read and Understand Our Policies

#### Age Requirement

The camper must be at least 5 years old and not older than 12 years old on the first day of the camp weekly session. *(A camper may be 13 years-old if they are 12 years old at the beginning of the weekly camp session. After that week, they will no longer be able to participate in camp. If a camper has a birthday that changes their age group, the camper will finish out that week in their current age group and then move up the next week.)* All campers must possess appropriate toileting skills.

#### Youth Safety

- Minimum Camper to Staff Ratio – 10 Campers / 1 Staff
- Fingerprinting and Background Checks on ALL Camp Staff Employees
- Extensive Camp Staff Training Prior to Camp
- First Aid, CPR and AED Trained/Certificated Staff

Additional Camp Information is available on our [Facebook Pages](#)

- Washington County Parks and Recreation

**Please Note:** All activity equipment will be provided. It is strongly recommended that valuables, electronic devices, and cell phones be left at home. The Washington County Parks and Recreation Department is not responsible for damaged, lost, or stolen belongings.

### Camp Policies

**Youth Safety -**

To ensure each camper’s safety, the Washington County Parks and Recreation Department aims to provide a maximum Camper to Staff Ratio of 10 Campers per 1 Staff Member. We require our Camp Staff to attend Extensive Camp Staff Training Prior to Camp. Each of our program staff must complete Child Safety Fingerprinting and Background Checks before being in contact with any camp youth. We require our camp staff to become certified in First Aid, CPR and AED.

- Junior Campers (8 to 9 years-old) - Pavilion 2, Located by the MIHI playground and Softball Fields
- Youth Campers (5 to 7 years-old) - Pavilion 3, Located by the Junior League Football Field

**Snook Swimming-**

All Marty Snook campers will have scheduled swimming pool time Tuesday through Friday, weather permitting. Pool fees are included in the camp fee. Pool concessions are available for additional fees and at the parent’s discretion. WCPRD Camp Staff are not responsible for camper belongings or concession cash.

**Snacks, Lunch, and Drinks -**

Snacks, lunch, and drinks will NOT be provided. Campers must pack enough food and drinks daily. Refrigeration is NOT available, so we do suggest an insulated cooler for food. We suggest packing a large thermos or insulated bottle to hold ice/water and packing a smaller bottle for campers to pour into.

**Age Policy -**

The Washington County Parks and Recreation Department Summer Camp Program will accept participants 5 to 12 years-old only. Age will be determined by the age of the camper on the first day of the weekly camp session. A camper must be at least 5 years old to attend camp. A 13-year-old camper may attend if he/she was 12 years-old on the first day of the weekly session. After that week, he/she will not be able to participate in camp. All campers must possess appropriate toileting skills.

### **Special Accommodations for Campers with Disabilities -**

Please understand that we will try to accommodate camper's special needs like personalities, disabilities, and interests. However, while we try our best, we understand that our camp program isn't always the best fit for every participant. We use frequent camper and parent communication to help each camper enjoy their experience. **Please also note that staff are not certified or trained for specific disabilities.** The Washington County Parks and Recreation Department provides a positive, fun, affordable and safe Summer Camp Program. Please feel free to contact our administrative office with questions or concerns.

### **Strict Pick-up Policy -**

The WCPRD Summer Camp Program is authorized to release your child *only* to the individuals listed on the camper information form. Each authorized person must be at least 16 years-old and show a photo identification at the time of sign-out. Campers will NOT be permitted to leave the camp with anyone not listed. For the safety of your camper, your cooperation is appreciated. Please list yourself and any adult permitted to pick up your child from camp. The people listed will also be used as contacts in an emergency, in order that they are listed. A late fee of \$5.00 - per 15 minutes will be assessed for campers not picked up by closing time (5:00pm). Payment is due within 5 days of late pick-up notification.

### **Bringing Medication to Camp -**

Any medication or medical device that is brought onto the campsite premises, including nonprescriptive (over the counter) medication, requires a prescriptive order and the completion of the MEDICATION ADMINISTRATION / AUTHORIZATION FORM and must include the signature of a primary care physician.

WCPRD Camp Staff are NOT authorized to administer ANY medication. Campers must receive medicine outside of camp hours OR self-administer medication during camp. Staff may remind campers and distribute the medication container to the participant for self-administration. The Director or Assistant Director must supervise and document ALL medication self-administration. To qualify, the child must be capable of safely administering the medication appropriately.

All medication must be presented to campsite staff and is to be kept in an area only accessible by campsite staff. All medications must be presented in original pharmaceutical packaging and contained in a zippered plastic baggy clearly labeled with the camper's full name.

Any failure to complete the forms accurately or any failure to provide medication to the Camp Director may result in termination of the camper from the program and the forfeiture of any fees paid. Please communicate with your Camp Director on any health and medical issues that we should be aware of. Due to the potential necessity for immediate medication imposed by a child's life-threatening condition, any participant that may require the use of emergency medication including an EpiPen or asthma inhaler, may keep it on his/her person while participating in WCRD activities. To qualify for this exemption, the child must be capable of safely storing and administering the device or medication appropriately. Please note a MEDICATION ADMINISTRATION / AUTHORIZATION FORM must be completed for emergency medications as well.

### **Keeping you Posted -**

We try our best to post photos and updates frequently/weekly on our social media outlets. So, follow us on Facebook to see what exactly your camper is up to during the day. We hope that seeing your camper active, smiling, and enjoying their camp experience will brighten your day.

## **Frequently Asked Questions**

### **Does my camper need a cooler?**

Yes! Campsites do NOT provide refrigeration. Please pack lunches with non-perishable foods in personal sized coolers that include ice packs.

### **What if my camper's belongings were stolen?**

Personal belongings are easily lost, and mistaken. All play equipment needed will be provided by the Washington County Parks and Recreation Department. Please leave valuables and personal belongings at home. (Including music players, electronic games and devices, cell phones, toys, cards, jewelry, etc.). Please label everything with your camper's name. WCPRD is NOT responsible for any loss, damage, or stolen personal belongings at any time.

### **Who can pick up my camper?**

For the safety of each camper, the WCPRD Summer Camp program is authorized to release your child ONLY to the individuals listed on the Camper Information Form. Each authorized person must be at least 16 years-old and show photo identification at the time of sign-out. YES! ID must be shown every day! Campers will NOT be permitted to leave the camp with anyone not listed. Your cooperation is appreciated.

### **What if I can't get there in time?**

A late fee of \$5.00 per camper for every 15 minutes (or portion thereof) will be assessed for campers not picked up by the closing time of camp. Late fee payment is due within 5 days. This is not meant to be abused or used to always be late. After 2 late violations, the WCPRD will be in contact with the parent/guardian to discuss the next steps. Multiple late violations could result in camper(s) removal for the remainder of the camp season. No refunds will be given if camper is removed from camp for late violations.

### **What should my camper wear?**

Our campers will participate in a lot of outdoor and active camp programming. Campers should wear comfortable and appropriate clothing. Close-toed shoes and sneakers are recommended. Hats are a good idea for sun protection. Please remember that this is a CAMP, and the campers are likely to get DIRTY, "Play Clothes" are recommended. Make sure that all items are labeled with the camper's name.

### **What about Independence Day?**

There will be NO CAMP on Friday, July 3rd! There is no discount for the camp week. Administrative offices are also closed.

### **What if my camper doesn't like camp activities?**

Campers are encouraged to try each activity at least once. If they choose not to participate, they will be asked to wait alongside until it is time to switch activities. We will communicate with parents as much as possible to make sure that our program is the right fit for your camper.

### **What if it's hot, or it rains?**

Summer Camp **will not** be cancelled due to inclement weather. When it rains or the heat index alerts are in effect, programs will not be cancelled, but activities will be modified. Scheduled activities may be replaced with alternative programming, such as fewer active games and activities that will avoid direct exposure to the sunlight or rain. Please assist in these precautions by sending extra liquids and dressing your child appropriately.

### **How do we prevent sunburn?**

Your child will be exposed to insects and UV rays. Please apply Mosquito/Tick Repellent and Sunscreen, with a SPF of 30 or higher, each morning to prevent insect bites and over exposure to the sun. Campers will be verbally encouraged to apply sunscreen throughout the day. Please practice sunscreen application skills with your child at home. Since insect repellent and sunscreen bottles are easily misplaced and confused with others, please label or tag your child's bottle. WCPRD does not provide sunscreen or bug repellent due to potential allergies.

### **Should I worry about ticks?**

Because campers are exposed to the outdoors daily and camp takes place during tick season, parents should be extra cautious about ticks. Please scan your child's skin daily. Ticks removed within 24 hours do not have time to transmit Lyme Disease.

### **Can my child bring their cell phone?**

Although we cannot prevent campers from bringing cell phones to camp, they are unnecessary and highly discouraged. If a camper's cell phone causes an issue it may be taken by the Director and returned to the parents at the end of the day. All staff have access to cell phones in case of an emergency.

### **What should I pack to drink?**

Please pack plenty of fluids but avoid drinks with caffeine or a lot of sugar. Frozen bottles usually do not melt in time to drink in the AM but would be perfect for the PM. We suggest packing a larger thermos or insulated bottle to hold ice/water and packing a smaller bottle for campers to pour into. Campers should start drinking fluids BEFORE going out into the heat.

### **My 4-year-old has attended a full-day pre-school. Do you ever make an exception to your age requirements?**

Sorry. No, we do not make any exceptions to the age requirements. All campers must be 5 years old on the first day of the weekly camp session. No exceptions.

### **I only need care three days a week, is there any way to sign up for those three days only?**

No. Our camp program is broken into seven, one-week, affordable sessions. The full-week fee is required and cannot be transferred once your child attends, no matter how many days your camper does/does not attend.

### **Can I reserve a spot?**

Our Summer Youth Day Camp is very popular at Marty Snook. Registration and payment are the only way to secure your spot. Please only list the week(s) that you are paying for on the registration form. You may submit additional registration forms as you decide to add additional camp weeks. No spots will be held unless full payment is made. Spots could be limited, so do not wait until the last minute to register.

### **Do I have to pay for the entire summer at once?**

Parents have the option of registering for one week at a time or registering for multiple/all weeks at once. Full payment is required for the weeks listed on your registration form at the time of registration. The only way to reserve your child's spot is to register and pay. Please only list the week(s) you're paying for on the registration form. If you plan to register/pay weekly, you must fill out a separate form for each week or go online and register each week. There is a \$15.00 processing fee for any cancelled week(s). Refunds will NOT be given once that week of camp begins. Early Bird Fee is valid until Monday, June 15, 2026, for all weeks.

### **Can I register after camp begins?**

Yes, if spots are available Summer Camp Registrations will not be accepted at campsite locations. Parents can only register online or by submitting a form to the Washington County Parks and Recreation Department Office. Campers may not be dropped off without being registered.

### **My child is not a strong swimmer. How do you handle your swim days?**

Each camper will be evaluated for their swimming ability and placed in an ability group with specific limitations. We station staff around the pool as watchers, in addition to trained lifeguards. Our staff are in all areas with the best supervision. We inform campers of the pool rules and expected behaviors in advance. We encourage parents to visit the swimming pool with their children outside of camp hours to get familiar with the different water depth areas, bathrooms, concessions, and the facility in general. Practice a clothing change in the bathroom and explain that your child is not going to leave the pool facility without staff present. Discuss with your child their own swimming ability and their swimming area restrictions.

### **Kona Ice (Wednesday's) and Pizza (Friday's):**

Kona Ice and Pizza costs are now included in the registration fee. All campers will receive a Klassic Kona Cup on their scheduled Kona Ice Day (schedules will be posted at camp). Campers cannot bring additional money to receive a larger Kona Ice cup. If they already have a Kona Ice refillable cup, they may bring that to get filled.

Every Friday, campers will receive 2 slices of cheese pizza. Parents are still responsible for providing snacks and drinks. Camp staff will not be accepting any money on site.

### **Tax ID and Information:**

If you are going to use your camp registration for Income Tax purposes, please keep your receipts in a safe place for your records. We will not send records of your camp registration at the end of the year. **TAX ID # 52-6001037**

## **Camp Rules**

1. Listen Quietly when a leader/counselor is speaking.
2. Use kind words and actions towards others, including staff.
3. Respect camp property and materials. Respect other campers' belongings.
4. Stay safe by following directions and staying with the group.
5. Additional rules will be in place based on age groups.

## **Camp Behavior Management**

### **What do we expect from our campers?**

We expect everyone to treat each other with politeness, respect, and kindness. We also expect children to follow the Camp Rules. These rules will be reviewed the first day of each camp session (Monday's). If you would like a copy of the rules, please ask your Camp Director.

### **What happens when my child follows the rules?**

If your child demonstrates positive behavior, they will receive fun privileges as a group and sometimes be verbally recognized as an individual. We try to reinforce positive behavior.

### **And if they do not behave?**

Camp staff will verbally warn campers if they break a rule. If bad behavior persists the camper will be removed from the group.

### **What happens then?**

Once isolated the child will be asked to reflect on their behavior and to think about what they did wrong and how they should behave differently in the future. If a child is taken out of group activities repeatedly during the day, then the parent/guardian will be notified either by phone during the day or in person at the time of pick-up.

If the camper is involved in a serious incident or is repeatedly removed from group activities, the camp director or assistant director will call or meet with the parent at time of pick-up to discuss the incident(s), consequences, and action plan for changing the behavior.

If the behavior problems continue, the WCPRD Administration staff will contact the parents and discuss the next steps. On going issues, may result in the camper being asked to leave the program for the remainder of the summer and no refunds will be given. This decision will only be determined and communicated with the parents by someone within the WCPRD Administration staff. Camp counselors and/or directors do not have the ability to remove someone from camp permanently.

### **If the camper is involved in an incident, is that for the day?**

Absolutely not! If a child subsequently improves their behavior, then the parents will be notified at the time of pick-up, so that they can end the day with a smile.

### **Does this plan work for every child?**

Sadly not. It works for most children. However, some children find it difficult to follow the camp rules and the staff will deal with those children on an individual basis. Every child who regularly misbehaves is dealt with individually and according to their needs. Rest assured we do not accept bad behavior and we always follow-up on unacceptable behavior from children. It is not appropriate for us to share our strategies to deal with those children with anyone other than the parent/guardian of that child. However, here are some actions that we carry out:

- The camper may be removed from an activity.
- Their activities may be restricted for a period.
- They may lose some playtime altogether and must sit in a designated area.

### **What is not acceptable behavior?**

Level 1 is bad behaviors such as: teasing, pushing, interrupting staff, spoiling others' games, telling tales, negatively avoiding activities, eating outside of designated eating times, and arguing. Level 1 will result in a verbal warning.

Level 2 is bad behavior such as: spitting, swearing, lying, biting, graffiti, fighting, refusal to follow instructions and repetition of less serious offenses. Level 2 behaviors will result in removal from activity and report to parents.

Level 3 is bad behavior such as: vandalism, fighting/thuggery, dangerous refusal to follow instructions, racial abuse, stealing, physical and verbal abuse of other campers and staff, extortion, leaving the campsite, and repetition of other offenses. Level 3 behavior will result in a reprimand from the Camp Director.

For severe offenses where a camper is physically or verbally abusive to other camp participants or camp staff, parents of campers will be notified by phone or in person and the camper will be subject to immediate expulsion. No refunds will be given.

### **Aren't you making a big fuss over a bit of rough play that all children engage in?**

We know that children can get excited and carried away in their games and do things without thinking. These children just need a quiet word and get on to playing with their friends in a sensible manner. However, when rough play becomes more aggressive, and children end up getting hurt, we need to remove those children who have forgotten the rules from the situation and keep a log of all aggressive incidents that occur.

We believe that communication is key. We will not hesitate to call a parent during the day or talk with them at the time of pick-up, even concerning minor incidents or good behavior. We want to nip problems in the bud and certainly encourage good behavior. Please talk to your child about acceptable camp behavior, the consequences, and what the staff expect from them.
