

**AN ORDINANCE TO APPROVE THE PURCHASE OF A CONSERVATION
EASEMENT UNDER THE MARYLAND CONSERVATION RESERVE
ENHANCEMENT PROGRAM (CREP)**

(Re: Hood CREP Easement)

RECITALS

1. The Maryland Conservation Reserve Enhancement Program ("CREP") is a federal-State natural resources conservation program that addresses state and nationally significant agricultural related environmental concerns related to agriculture.
2. CREP provides financial incentives to program participants to voluntarily remove cropland and marginal pastureland from agricultural production in order to improve, protect, and enhance water quality in the Chesapeake Bay watershed and replacing it with the best management practices including establishment of riparian buffers, grass plantings, forbs, shrubs and trees, stabilization of highly erodible soils, habitat restoration for plant and animal species, and restoration of wetlands.
3. Protection is provided through the acquisition of easements and fee estates from willing landowners currently holding a fifteen (15) year CREP contract and the supporting activities of CREP Sponsors and local governments.
4. For FY2021, the State of Maryland ("State") is awarding CREP grants to eligible Counties (the "CREP Funds").
5. Daryl E. and Alexis B. Hood are the owners of real property consisting of 89.39 acres, more or less, (the "Property") in Washington County, Maryland. The Property is more particularly described on Exhibit A attached hereto.
6. The County has agreed to pay the approximate sum of TWO HUNDRED SEVENTY-SEVEN THOUSAND, TWO HUNDRED DOLLARS AND NO CENTS (\$277,200.00), which is a portion of the CREP Funds, to the Property Owner in exchange for a Deed of Conservation Easement on the Property (the "Hood CREP Easement").

THEREFORE, BE IT ORDAINED by the Board of County Commissioners of Washington County, Maryland that the purchase of the Hood CREP Easement is approved and that the President of the Board and the County Clerk be and are hereby authorized and directed to execute and attest, respectively, all such documents for and on behalf of the County relating to the purchase of the Hood CREP Easement.

ADOPTED this 26th day of January 2021.
