### Notes:

**1.** This list consists of words which should not be submitted in part of or as a whole road name within the county. If a proposed road name does not include one of these words it does NOT mean it is expressly approved, only that it will be reviewed further for duplication and sound-a-like.

**2.** It is understood that any abbreviation or sound a like of the words listed shall also be prohibited.

**3.** Please do not use directional words NORTH, SOUTH, EAST and WEST in a road name. Those are considered prohibited unless the office designates them as a prefix for the road.

**4.** Road suffixes (Street, Lane, Road etc.) are assigned by the Addressing Technician and should not be included in a road name

\*The County no longer allows the name submission of family names for proposed road names
