Q-17-640
ADDENDUM NO. 1
FORMAL QUOTATION REQUEST
DEMOLITION AND CONSTRUCTION OF AN OPENING
FOR ONE (1) COMMERCIAL OVERHEAD DOOR SYSTEM
AT THE WASHINGTON COUNTY SHERIFF'S OFFICE

DATE: Tuesday, May 9, 2017

QUOTES DUE: Wednesday, May 17, 2017
3:00 P.M.

To Bidders:

This Addendum is hereby made a part of the Request for Quotation (RFQ) Documents on which all quotations will be based and is issued to correct and clarify the original documents.

Please acknowledge receipt of this Addendum at the appropriate space on the Proposal Form. This Addendum consists of two (2) pages.

NOTE: All Bidders must enter the Washington County Administration Complex through either the front door at the 100 West Washington Street entrance or through the rear entrance (w/blue canopy roof) which is handicap accessible, and must use the elevator to access the Purchasing Department to submit their proposal and/or to attend the Pre-Proposal Conference. Alternate routes are controlled by a door access system. Washington County Government has announced new security protocols being implemented at the Washington County Administration Complex at 100 West Washington Street, Hagerstown. The new measures took effect Tuesday, February 14, 2017. The general public will be subject to wand search and will be required to remove any unauthorized items from the building prior to entry. Prohibited items include, but are not limited to: Weapons of any type; Firearms, ammunition and explosive devices; Cutting instruments of any type - including knives, scissors, box cutters, work tools, knitting needles, or anything with a cutting edge, etc.; Pepper spray, mace or any other chemical defense sprays; and Illegal substances.

ITEM NO. 1: Inquiry: I am requesting the pre-bid meeting sign in sheet (if available).

Response: Attached is the Pre-Quote Conference attendance sheet.

(NOTE: The wording of all "Inquiries" submitted are displayed exactly as received.)

ITEM NO. 2: **Inquiry:** Regarding the above referenced job, the drawings specify that on all three sides of the opening, steel be installed on both inside and out with through bolting at several points. Is the existing substrate hollow CMU? In past jobs, we have encountered the same spec, and the drilling to provide the through bolts has broken the CMU enough that the steel had nothing left to rest on. This caused substantial delays while the engineers worked the problem.

Response: The County is unable to verify that the existing substrate is hollow CMU.

By Authority of:

A handwritten signature in black ink that reads "Karen R. Luther". The signature is written in a cursive style with a large, looping initial "K".

Karen R. Luther, CPPO
Director of Purchasing

Pre-Quote Conference
