Subsection (c) of §1-106.3 provides that, "A determination to allow or participate in an intergovernmental cooperative purchasing arrangement under subsection (b) of this section shall be by resolution and shall either indicate that the participation will provide cost benefits to the county or result in administrative efficiencies and savings or provide other justifications for the arrangement."

The County's Highway Department is in need of line striping on certain County roads. The Maryland State Highway Administration has solicited line striping services and awarded a contract to Alpha Space Control Co., Inc.
