

RESOLUTION NO. RS-2020-22

(Intergovernmental Cooperative Purchase [INTG-20-0043] Maryland State Highway Administration (SHA) Contract Line Striping Contract)

RECITALS

The Code of the Public Local Laws of Washington County, Maryland (the "Public Local Laws"), §1-106.3, provides that the Board of County Commissioners of Washington County, Maryland (the "Board"), "may procure goods and services through a contract entered into by another governmental entity in accordance with the terms of the contract, regardless of whether the county was a party to the original contract."

Subsection (c) of §1-106.3 provides that "A determination to allow or participate in an intergovernmental cooperative purchasing arrangement under subsection (b) of this section shall be by resolution and shall either indicate that the participation will provide cost benefits to the county or result in administrative efficiencies and savings or provide other justifications for the arrangement."

The Highway Department seeks to utilize the Maryland State Highway Administration contract with Alpha Space Control Co., Inc. of Chambersburg, Pennsylvania, for line striping of 1,300,000 linear feet at \$.0789 per linear foot on certain roads within the County in the aggregate amount of \$102,570.

The Maryland State Highway Administration solicited the resulting agreement. The County will benefit with direct cost savings in the purchase of this procurement because of the economies of scale this buying group leveraged. The Purchasing Department is confident that any bid received as a result of an independent County solicitation would exceed the spend savings that the State of Maryland Highway Administration provides through this agreement. Additionally, the County will realize savings through administrative efficiencies as a result of not preparing, soliciting, and evaluating a bid. This savings/cost avoidance could be significant.

NOW, THEREFORE, BE IT RESOLVED by the Board, pursuant to §1-106.3 of the Public Local Laws, to approve the utilization of the Maryland State Highway Administration's contract with Alpha Space Control, Co., Inc. of Chambersburg, Pennsylvania for line striping of 1,300,000 linear feet at \$.0789 a linear foot on certain roads within the County in the aggregate amount of \$102,570.

Adopted and effective this 11th day of August, 2020.
