

RESOLUTION NO. RS-2021- 04

(Intergovernmental Cooperative Purchase [INTG-21-0055] Hagerstown Regional Airport Virtual Perimeter Monitoring Systems [VPMS] Upgrades)

RECITALS

The Code of the Public Local Laws of Washington County, Maryland (the "Public Local Laws"), §1-106.3, provides that the Board of County Commissioners of Washington County, Maryland (the "Board"), "may procure goods and services through a contract entered into by another governmental entity in accordance with the terms of the contract, regardless of whether the county was a party to the original contract."

Subsection (c) of §1-106.3 provides that "A determination to allow or participate in an intergovernmental cooperative purchasing arrangement under subsection (b) of this section shall be by resolution and shall either indicate that the participation will provide cost benefits to the county or result in administrative efficiencies and savings or provide other justifications for the arrangement."

The Hagerstown Regional Airport (the "Airport") seeks to purchase and upgrade wireless technology for the Airport's Virtual Perimeter Monitoring Systems from Skyline Technology Solutions of Glenn Burnie, Maryland, at the contracted unit prices totaling \$127, 267.86 based on the contract awarded by Carroll County Government (RFP #49-F-2-18/19). The contract term is effective December 1, 2020, through November 30, 2021.

Acquisition of the wireless technology equipment by utilizing the Carroll County Government contract and eliminating the County's bid process will result in administrative efficiencies for the Airport and the Purchasing Department, as well as give the County access to overall better pricing due to economies of scale offered by the Carroll County Government contract.

NOW, THEREFORE, BE IT RESOLVED by the Board, pursuant to §1-106.3 of the Public Local Laws, to authorize by Resolution the purchase of said equipment from Skyline Technology Solutions of Glen Burnie, Maryland, based on the contract awarded by Carroll County Government (RFP #49-F-2-18/19).

Adopted and effective this ninth day of March, 2021.
