

RESOLUTION NO. RS-2021- 17

(Rescinding the Resolutions dated November 17, 2020, and April 20, 2021, approving the Intergovernmental Cooperative Purchases [INTG-20-0051 and INTG-21-0058] of Personal Protective Equipment [PPE] for Division of Emergency Services)

RECITALS

On November 17, 2020, the Board of County Commissioners of Washington County approved by Resolution the purchase of fifty (50) sets of Personal Protective Equipment (PPE) totaling \$143,966.50 from Witmer Public Safety based on the contract awarded by the State of New Jersey.

On April 20, 2021, thirty-five (35) additional sets of PPE from Witmer Public Safety were approved and awarded by the Board of County Commissioners of Washington County for pricing based on the aforementioned contract, totaling an additional \$85,296.75.

On June 4, 2021, a partial order was received for a total of three (3) sets, these three sets being a portion of the initial fifty (50) set order.

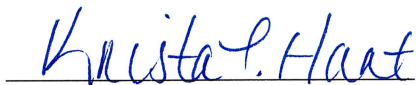

Following discussions with the distributor, Washington County representatives were advised the remainder of the order(s) were in production and delivery was expected in late July or early August.

As this anticipated delivery date is not acceptable, Washington County requested to cancel the order(s) and the vender concurred.

NOW, THEREFORE, BE IT RESOLVED, that the Board of County Commissioners of Washington County, Maryland, rescinds the Resolutions dated November 17, 2020, and April 20, 2021, approving the purchase(s) of a total of eighty-five (85) sets of PPE from Witmer Public Safety. Said Resolutions are of no further force or effect.

Adopted and effective this 20th day of July, 2021.
