

RESOLUTION NO. RS-2021- 19

(Intergovernmental Cooperative Purchase [INTG-21-0061] Industrial Equipment for the Washington County Highway Department)

RECITALS

The Code of Public Local Laws of Washington County, Maryland (the "Public Local Laws"), §1-106.3, provides that the Board of County Commissioners of Washington County, Maryland (the "Board"), "may procure goods and services through a contract entered into by another governmental entity in accordance with the terms of the contract, regardless of whether the county was a party to the original contract."

Subsection (c) of §1-106.3 provides that "A determination to allow or participate in an intergovernmental cooperative purchasing arrangement under subsection (b) of this section shall be by resolution and shall either indicate that the participation will provide cost benefits to the county or result in administrative efficiencies and savings or provide other justifications for the arrangement."

The Highway Department seeks to purchase Industrial Equipment, and utilize another jurisdiction's contract as indicated below:

Acquisition of the equipment by utilizing the other jurisdictions contracts and eliminating our County's bid process would result in administrative and cost savings for the Highway Department and the Purchasing Department. The County will benefit with the direct cost savings in the purchase of this equipment because of the economies of scale the aforementioned contracts have leveraged. Additionally, the County will realize savings through administrative efficiencies as a result of not preparing, soliciting, and evaluating bids.

NOW, THEREFORE, BE IT RESOLVED by the Board, pursuant to §1-106.3 of the Public Local Laws, the Highway Department is authorized to purchase Industrial Equipment and to utilize other jurisdictions contracts as outlined above.

Adopted and effective this 10th day of August, 2021.
