

RESOLUTION NO. RS-2021- 20

*(Intergovernmental Cooperative Purchase [INTG-21-0065] Utilizing the Maryland State Highway Administration [SHA] Line Striping Contract)*

RECITALS

The Code of Public Local Laws of Washington County, Maryland (the "Public Local Laws"), §1-106.3, provides that the Board of County Commissioners of Washington County, Maryland (the "Board"), "may procure goods and services through a contract entered into by another governmental entity in accordance with the terms of the contract, regardless of whether the county was a party to the original contract."

Subsection (c) of §1-106.3 provides that "A determination to allow or participate in an intergovernmental cooperative purchasing arrangement under subsection (b) of this section shall be by resolution and shall either indicate that the participation will provide cost benefits to the county or result in administrative efficiencies and savings or provide other justifications for the arrangement."

The Highway Department seeks to utilize the Maryland State Highway Administration (SHA) contract with Alpha Space Control, Co., Inc. of Chambersburg, Pennsylvania for line striping of 1,647,655 linear feet at \$.0789 per linear foot on various roads within the County for a total cost of \$130,000.

SHA solicited the original contract. Acquisition of this service by utilizing the Sourcewell contract and eliminating our County's bid process would result in administrative and cost savings for the Highway Department and the Purchasing Department. The County will benefit with the direct cost savings in the purchase of this equipment because of the economy of scale the aforementioned contract has leveraged. Additionally, the County will realize savings through administrative efficiencies as a result of not preparing, soliciting, and evaluating a bid.

NOW, THEREFORE, BE IT RESOLVED by the Board, pursuant to §1-106.3 of the Public Local Laws, the Highway Department is approved to utilize the Maryland State Highway Administration contract with Alpha Space Control Co., Inc. of Chambersburg, Pennsylvania for line striping of 1,647,655 linear feet at \$.0789 per linear foot on various roads within the County for a total cost of \$130,000.00.

Adopted and effective this 10 day of August, 2021.
