

RESOLUTION NO. RS-2023-15

(Intergovernmental Cooperative Purchase [INTG-23-0118] One [1] Outdoor Road Sweeper for Solid Waste)

RECITALS

The Code of Public Local Laws of Washington County, Maryland (the "Public Local Laws"), §1-106.3, provides that the Board of County Commissioners of Washington County, Maryland (the "Board"), "may procure goods and services through a contract entered into by another governmental entity in accordance with the terms of the contract, regardless of whether the county was a party to the original contract."

Subsection (c) of §1-106.3 provides that "A determination to allow or participate in an intergovernmental cooperative purchasing arrangement under subsection (b) of this section shall be by resolution and shall either indicate that the participation will provide cost benefits to the county or result in administrative efficiencies and savings or provide other justifications for the arrangement."

The Solid Waste Department is requesting to purchase one (1) Outdoor Road Sweeper (model DT74J) from SB Manufacturing, Inc., of Wichita, Kansas, for the total cost of \$29,072, and to utilize another jurisdiction's contract (111522-SBM) that was awarded by Sourcewell to SB Manufacturing, Inc.

Utilizing the Sourcewell contract and eliminating the County's bid process result in administrative and cost savings for the Solid Waste Department. The County will benefit with direct cost savings because of the economy of scale the aforementioned contract has leveraged. Additionally, the County will realize administrative efficiencies and savings as a result of not preparing, soliciting, and evaluating bids.

NOW, THEREFORE, BE IT RESOLVED by the Board, pursuant to §1-106.3 of the Public Local Laws, that the Solid Waste Department is authorized to purchase one (1) Outdoor Road Sweeper (model DT74J) from SB Manufacturing, Inc., of Wichita, Kansas, for the total cost of \$29,072, and to utilize another jurisdiction's contract (111522-SBM) that was awarded by Sourcewell to SB Manufacturing, Inc.

Adopted and effective this 25th day of April, 2023.
