

RESOLUTION NO. RS-2023-19

(Intergovernmental Cooperative Purchase [INTG-23-0120] Line Striping Contract)

RECITALS

The Code of Public Local Laws of Washington County, Maryland (the "Public Local Laws"), §1-106.3, provides that the Board of County Commissioners of Washington County, Maryland (the "Board"), "may procure goods and services through a contract entered into by another governmental entity in accordance with the terms of the contract, regardless of whether the county was a party to the original contract."

Subsection (c) of §1-106.3 provides that "A determination to allow or participate in an intergovernmental cooperative purchasing arrangement under subsection (b) of this section shall be by resolution and shall either indicate that the participation will provide cost benefits to the county or result in administrative efficiencies and savings or provide other justifications for the arrangement."

The Highway Department is requesting to utilize the Howard County, Maryland, Line Striping Contract PA-096-2023 with Alpha Space Control Co., Inc., of Chambersburg, Pennsylvania, for line striping of 1,308,411 linear feet at \$0.107 per linear foot on various roads within the County for a total cost of \$140,000.00.

Utilizing the Howard County, Maryland, contract and eliminating the County's bid process result in administrative and cost savings for the Highway Department. The County will benefit with direct cost savings because of the economies of scale the aforementioned contract has leveraged. Additionally, the County will realize administrative efficiencies and savings as a result of not preparing, soliciting, and evaluating bids.

NOW, THEREFORE, BE IT RESOLVED by the Board, pursuant to §1-106.3 of the Public Local Laws, that the Highway Department is authorized to utilize the Howard County, Maryland, Line Striping Contract PA-096-2023 with Alpha Space Control Co., Inc., of Chambersburg, Pennsylvania, in the amount of \$140,000.00.

Adopted and effective this 23rd day of May, 2023.
