

## RESOLUTION NO. RS-2025- 23

### *(Intergovernmental Cooperative Purchase [INTG-25-0192] Personal Protective Equipment [PPE] for Division of Emergency Services)*

#### RECITALS

The Code of Public Local Laws of Washington County, Maryland (the "Public Local Laws"), § 1-106.3, provides that the Board of County Commissioners of Washington County, Maryland (the "Board"), "may procure goods and services through a contract entered into by another governmental entity in accordance with the terms of the contract, regardless of whether the county was a party to the original contract."

Subsection (c) of § 1-106.3 provides that "A determination to allow or participate in an intergovernmental cooperative purchasing arrangement under subsection (b) of this section shall be by resolution and shall either indicate that the participation will provide cost benefits to the county or result in administrative efficiencies and savings or provide other justifications for the arrangement."

The Washington County Division of Emergency Services seeks to purchase one hundred and eight (108) sets of Personal Protective Equipment (PPE) (coats and pants) for the Division of Emergency Services from Maryland Fire Equipment Corporation of Rockville, Maryland, at contracted unit prices totaling \$410,284.53 based on the contract awarded by the Arlington County, Virginia contract (16-217-ITB-1).

Eliminating the County's bid process will result in administrative and cost savings for the County. The County will benefit with direct cost savings because of the economies of scale the aforementioned contract has leveraged. Additionally, the County will realize administrative efficiencies and savings as a result of not preparing, soliciting, and evaluating bids.

NOW, THEREFORE, BE IT RESOLVED by the Board, pursuant to § 1-106.3 of the Public Local Laws, that the Washington County Division of Emergency Services is hereby authorized to purchase one hundred and eight (108) sets of Personal Protective Equipment (PPE) (coats and pants) for the Division of Emergency Services from Maryland Fire Equipment Corporation of Rockville, Maryland, at contracted unit prices totaling \$410,284.53 based on the contract awarded by the Arlington County, Virginia contract (16-217-ITB-1).

Adopted and effective this 3<sup>RD</sup> day of June, 2025.
