RESOLUTION NO. RS-2026- 34

(Intergovernmental Cooperative Purchase [INTG-26-0351] Fiber Cameras and Access Controls)

RECITALS

The Code of Public Local Laws of Washington County, Maryland (the "Public Local Laws"), § 1-106.3, provides that the Board of County Commissioners of Washington County, Maryland (the "Board"), "may procure goods and services through a contract entered into by another governmental entity in accordance with the terms of the contract, regardless of whether the county was a party to the original contract."

Subsection (c) of § 1-106.3 provides that "A determination to allow or participate in an intergovernmental cooperative purchasing arrangement under subsection (b) of this section shall be by resolution and shall either indicate that the participation will provide cost benefits to the county or result in administrative efficiencies and savings or provide other justifications for the arrangement."

The Department of Information Technology seeks to award a contract to Skyline Technology Solutions of Glen Burnie, Maryland, in the total amount of $137,358.07 for the installation of fiber and CCTV located at the Public Safety Training Center, and to utilize another jurisdiction's contract that was awarded on November 13, 2024, by the Carroll County Public Network (CCPN) (contract #49-F-1-24/25).

Eliminating the County's bid process will result in administrative and cost savings for the County. The County will benefit with direct cost savings because of the economies of scale the aforementioned contract has leveraged. Additionally, the County will realize administrative efficiencies and savings as a result of not preparing, soliciting, and evaluating bids.

NOW, THEREFORE, BE IT RESOLVED by the Board, pursuant to § 1-106.3 of the Public Local Laws, that the Department of Information Technology is hereby authorized to award a contract to Skyline Technology Solutions of Glen Burnie, Maryland, in the total amount of $137,358.07 for the installation of fiber and CCTV located at the Public Safety Training Center, and to utilize another jurisdiction's contract that was awarded on November 13, 2024, by the Carroll County Public Network (CCPN) (contract #49-F-1-24/25).

Adopted and effective this 13th day of October, 2026.
