RESOLUTION NO. RS-2026- 37

(Intergovernmental Cooperative Purchase [INTG-26-0359] Guardrail Installation, Repair, Replacement, and Related Traffic Barrier Services [Indefinite Delivery/Indefinite Quantity] for the Washington County Highway Department)

RECITALS

The Code of Public Local Laws of Washington County, Maryland (the "Public Local Laws"), § 1-106.3, provides that the Board of County Commissioners of Washington County, Maryland (the "Board"), "may procure goods and services through a contract entered into by another governmental entity in accordance with the terms of the contract, regardless of whether the county was a party to the original contract."

Subsection (c) of § 1-106.3 provides that "A determination to allow or participate in an intergovernmental cooperative purchasing arrangement under subsection (b) of this section shall be by resolution and shall either indicate that the participation will provide cost benefits to the county or result in administrative efficiencies and savings or provide other justifications for the arrangement."

The Highways Department seeks to purchase guardrail installation, repair, replacement, and related traffic barrier services from L.S. Lee Inc. of York, Pennsylvania, under a contract structured as an "Indefinite Delivery/Indefinite Quantity Agreement" for a three-year period with two optional one-year renewal purchases. Purchases will be made on an as-needed basis through the appropriate process and funding source. Pricing will be based on the discounted unit prices awarded to the State Highway Administration under Contract No. 477D11428.

Eliminating the County's bid process will result in administrative and cost savings for the County. The County will benefit with direct cost savings because of the economies of scale the aforementioned contract has leveraged. Additionally, the County will realize administrative efficiencies and savings as a result of not preparing, soliciting, and evaluating bids.

NOW, THEREFORE, BE IT RESOLVED by the Board, pursuant to § 1-106.3 of the Public Local Laws, that the Highways Department is hereby authorized to purchase guardrail installation, repair, replacement, and related traffic barrier services from L.S. Lee Inc. of York, Pennsylvania, under a contract structured as an "Indefinite Delivery/Indefinite Quantity Agreement" for a three-year period with two optional one-year renewal purchases. Purchases will be made on an as-needed basis through the appropriate process and funding source. Pricing

will be based on the discounted unit prices awarded to the State Highway Administration under Contract No. 477D11428.

Adopted and effective this 17th day of November, 2026.
