#### **EMPLOYEES' RETIREMENT PLAN OF WASHINGTON COUNTY**

Amendment and Restatement Generally effective July 1, 201<del>5</del>9

This amended and restated Plan, the Employees' Retirement Plan of Washington County (the "Plan"), is adopted, generally effective July 1, 20159, by Washington County, Maryland (the "County"). This amended and restated Plan is designed to afford eligible employees an opportunity to increase their security at retirement through participation in a pension plan during their periods of active employment while this Plan remains in effect.

The retirement plan set forth in the Employees' Retirement System of the State of Maryland was created and established on October 1, 1941 and has been amended from time to time. On July 1, 1948, the County Commissioners of Washington County, Maryland became a participating municipality on behalf of certain employees of Washington County, Maryland.

Effective July 1, 1972, the County Commissioners of Washington County, Maryland enacted and adopted by ordinance the "Employees' Retirement Plan of Washington County" (the "Plan"). The Plan has been amended on a number of occasions since that time.

The County adopts this amended and restated Plan, generally effective as of July 1, 2015, subject to such amendments as may be required by the Internal Revenue Service in order that the Plan may qualify as a tax-qualified pension plan and conditioned on such qualification. This amended and restated Plan includes various provisions that are intended to incorporate the provisions of the Pension Funding Equity Act of 2004 and the Pension Protection Act of 2006. Accordingly, the Employer wishes to adopt this amended and restated Plan, generally effective as provided herein, subject, however, to such amendments as may be required by the Internal Revenue Service in order that the Plan may qualify as a tax-qualified defined benefit pension plan and conditioned on such qualification. This amended and restated Plan is to be construed in accordance with the Pension Funding Equity Act of 2004, the Pension Protection Act of 2006 and guidance issued under such

#### Acts.

removed obsolete introductory language.

Except as is otherwise provided in the Plan or by applicable law, the terms of the Plan, as amended and restated, shall apply only on or after July 1, 20159. Except as is otherwise provided in the Plan or by applicable law, the terms of the Plan, as amended and restated, shall apply only with respect to individuals who are Covered Employees of the County on or after July 1, 20159, and the rights, benefits and interests of any employee who died, retired or otherwise terminated his or her employment with the County prior to July 1, 20159 shall be determined under the provisions of the Plan as in effect on the date such former employee died, retired or otherwise terminated his or her employment with the County.

# ARTICLE 1 DEFINITIONS

The following terms, when used in this Plan, have the meanings set forth below, unless different meanings are clearly required by the context:

1.1 <u>ACCRUED BENEFIT</u> means the benefit to which a Participant is entitled, pursuant to the provisions of Article 5, expressed as the Normal Form of monthly benefit commencing at Normal Retirement Date or its Actuarial Equivalent. The Accrued Benefit as of any date preceding the Participant's Normal Retirement Date, but expressed as the Normal Form of monthly benefit or its Actuarial Equivalent, shall be the monthly benefit computed pursuant to Section 5.3, 5.7 or 8.1. In no event, however, shall the Accrued Benefit exceed the maximum limitation determined, as of the date of computation, pursuant to Section 5.8.

The portion of the Participant's Accrued Benefit attributable to contributions made pursuant to Sections 4.5 and 4.7 shall be equal to the Actuarial Equivalent of the Participant's Employee Contributions Benefit, expressed as the Normal Form of monthly benefit commencing at Normal Retirement Date. The portion of the Participant's Accrued Benefit attributable to County contributions shall be the remainder, if any, of the Accrued Benefit.

The Accrued Benefit will include, if applicable, the early retirement window benefit provided on Schedule A to the Plan.

```
Schedule A is no longer needed as it no longer applies to anyone, so this reference also is no longer needed.
```

1.2 <u>ACTUARIAL EQUIVALENT OR EQUIVALENT ACTUARIAL VALUE</u> means the dollar value of any benefit on a specified date, computed as provided in Section 5.10.

Notwithstanding any other Plan provisions to the contrary, the applicable mortality table used for purposes of adjusting any benefit or limitation under Code Section 415(b)(2)(B), (C), or (D) for purposes of satisfying the requirements of Code Section 417(e), is the mortality table prescribed in Revenue Ruling 2001-62 (or such other mortality table published by the Internal Revenue Service using the latest effective date permitted for that table).

1.3 <u>ACTUARIAL REDUCTION</u> means a reduction which will cause a benefit with a starting date that precedes a Participant's Normal Retirement Date to be the Actuarial Equivalent of the benefit which would otherwise have been payable commencing on that Normal Retirement Date. # **CREDIT FOR SERVICE**

3.1 <u>LEAVE OF ABSENCE</u>. Years of Service will be credited for a Leave of Absence (or any portion thereof) during which a Participant receives payment directly from the County <u>from</u> <u>which required Participant contributions are deducted pursuant to Section 4.5.</u> Except as otherwise provided in this Section 3.1, Years of Service will not be credited for a Leave of Absence (or any

References to required Participant contributions in this paragraph added to clarify that service for a period of leave counts only if required contributions are made during the leave or after return, as provided in this section.

portion thereof) during which a Participant does not receive payment directly from the County <u>from</u> which required Participant contributions are deducted pursuant to Section 4.5.

However, a Participant may elect to receive credit for Years of Service with respect to a Leave of Absence during which he or she does not receive payment directly from the County-If a Participant does so elect, he or she shall be required to pay over by (i) making a written request for such credit, in accordance with procedures established by the County, no later than 30 days after Participant returns to work at the end of the Leave of Absence (or, if the Participant's employment terminates during the Leave of Absence, no later than 30 days after the Participant's Participant's employment terminates) and (ii) paying to the Plan, in one lump sum payment; or through payroll deductions an amount ("Make-Up Contributions") equal to the total amount of Participant contributions that would have been payable by the Participant if the Participant had remained actively employed for the entire period covered by that Leave of Absence, pursuant to procedures described in this Section 3.1 and any additional administrative rules established by the County. A Participant who fails to make such an election within the 30-day period described in this Paragraph will cease to be eligible to receive credit for Years of Service for the applicable Leave of Absence.

<u>The Participant's election to contribute Make-Up Contributions pursuant to this</u> <u>Section will include an agreement to contribute total Make-Up Contributions in</u> an amount equal to the Participant contributions he or she<u>the Participant</u> would have been required to make pursuant to Section 4.5 had the Participant remained in active service during the Leave of Absence (based on what the Participant's Per-Pay Compensation would have been in his or her last paycheck prior to the Leave of Absence if the Participant had worked his or her regularly-scheduled hours).

# Language above and below in this section has been revised to reflect current administrative practices for participants to receive credit for leaves of absences, including flexibility.

If the Participant timely elects to contribute Make-Up Contributions through payroll deductions, those contributions shall be made over a period that is acceptable to the County that is no longer than the period of Leave of Absence for which the Participant is electing to make contributions. Payroll deductions will commence within a reasonable period after the Participant makes a timely election to contribute Make-up Contributions through payroll deductions. If a Participant elects to contribute Make-Up Contributions pursuant to this paragraph through payroll deductions and the Participant's employment with the County terminates before the Participant has contributed the total amount of Make-Up Contributions needed for the Participant to be credited with service for the entire period of Leave of Absence, the Participant must pay the entire remaining amount due in a lump sum payment no later than 30 days after termination of employment. If no such payment is received by that deadline, the Participant will be credited with Years of Service for only the portion of the period of Leave of Absence for which Make-Up Contributions were received by the Plan. If a Participant's payroll deductions for Make-Up Contributions are interrupted for a reason other than termination of employment with the County, such as because of another unpaid Leave of Absence, the Participant's time period for contributing Make-Up Contributions with respect to the original Leave of Absence will be tolled until the Participant again resumes employment.

If a Participant timely elects to contribute Make-Up Contributions as a lump sum, that lump sum payment must be equal to the total amount of Make-Up Contributions and must paid to the Plan no later than 60 days after the end of the Leave of Absence or in accordance with other administrative rules established by the County. If the Participant fails to contribute the entire amount of required Make-Up Contributions by the end of that 60-day period, the Participant will cease to be eligible to contribute Make-Up Contributions for the applicable Leave of Absence. <u>Notwithstanding the preceding, if Section 3.3(a)(iv)(A) applies with respect to a</u> <u>Leave of Absence, payment of the Participant's contributions for that Leave of Absence may be</u> <u>made in accordance with applicable requirements of the Uniformed Services Employment and</u> <u>Reemployment Rights Act of 1994 or any other applicable federal law or in accordance with this</u> <u>Section, whichever is more favorable to the Participant.</u>

A Participant (or his or her Beneficiary) who is on a Leave of Absence remains eligible for death benefits under Section 7.3. However, a Participant who is on a Leave of Absence shall not be eligible for disability benefits under Section 5.7.

3.2 <u>UNUSED SICK LEAVE</u>. Prior to his or her Annuity Starting Date, a Participant may make an election to exchange unused sick leave that has not been cashed in. The election shall be made in writing to the Coordinator.

(a) A Participant who wishes to retire on account of normal retirement, but who does not have the necessary Years of Service, may elect to exchange unused sick leave for additional Years of Service applied to render the Participant eligible for normal retirement.

(b) A Participant who wishes to retire on account of early retirement, but who does not have the necessary Years of Service, may elect to exchange unused sick leave for additional Years of Service applied to render him or her eligible for early retirement.

(c) A Participant who wishes to retire on account of normal retirement, and who has attained his or her Normal Retirement Date but has fewer than 50 Years of Service (fewer than 30 Years of Service for Plan Years beginning before July 1, 2001), may elect to exchange unused sick leave for additional Years of Service (but only to the extent that total Years of Service do not exceed 50 (30 for Plan Years beginning before July 1, 2001)) applied to calculate the amount of the Participant's normal retirement benefit. **Obsolete language deleted.** 

(d) A Participant who wishes to retire on account of early retirement and who has reached his or her Early Retirement Date may elect to exchange unused sick leave for additional Years of Service applied to reduce the Actuarial Reduction for early commencement of benefits (or applied to calculate the amount of the Participant's normal retirement benefit, if such application produces a higher retirement benefit).

(e) Unused sick leave shall be exchanged at the rate of one-twelfth (1/12) of aone Year of Service for each 22 days of sick leave. (one "Month of Service"), the equivalent of which is calculated based upon Annual Hours of Service by employment category as described in Exhibit 3, which is incorporated into the Plan by this reference. Any unused sick leave remaining after crediting unused sick leave in multiplesfull Months of 22 days Service based on the preceding sentence shall not be available for exchange under this Section 3.2. No partial Months of Service will be credited. Any changes to Exhibit 3 may be made at any time to reflect changes in the County's employment practices and any such changes are automatically incorporated into the Plan as of the effective date of each change without the need for an Amendment to this Plan document.

Section 3.2(e) revised and new Exhibit 3 added, based on information provided by staff about actual calculation of unused sick leave, including differences among different categories of employees. The previously undefined references to 22 days have been eliminated.

Subject to the right of withdrawal described in Section 4.8, benefits purchased from the Participant's contributions are payable at the same time, in the same manner, and, in the event of the Participant's death, to the same Beneficiary as the remainder of the Participant's Accrued Benefit.

(e) <u>Plan Termination</u>. Notwithstanding any provision of Section 9.3, if the Plan is terminated, distribution to each Participant of the portion of his or her Accrued Benefit attributable to contributions picked up by the County shall be treated as a priority distribution ahead of any other distribution to Participants based upon the remainder of the Trust, other than those attributable to contributions made pursuant to Section 4.7.

4.6 <u>ROLLOVER CONTRIBUTIONS</u>. A Participant may contribute to the Plan a Rollover Contribution, as defined in this Section, only as permitted under this Section.

(a) <u>Effective Date</u>. At the discretion of the Administrator, this Section 4.6 will become effective on or after July 1, 2002, as determined by the Administrator, and nothing in this Section shall apply to the Plan before the date, if any, set by the Administrator.

(b) <u>Definition of Rollover Contribution</u>. "Rollover Contribution" means an amount contributed to the Plan on or before the 60th day after the day the contributing Covered Employee received it, if the amount received by the Covered Employee is a distribution which is eligible for rollover to the Plan under Code §402 and is a distribution from one of the following: (i) another retirement plan qualified under §401(a) or 403(a) of the Code; (ii) to the extent permitted under the Code, as amended by the Economic Growth and Tax Relief Reconciliation Act of 2001 ("EGTRRA"), an individual retirement account or annuity described in Code §§408(a) or (b), but only if the distribution would otherwise be includible in gross income; (iii) to the extent permitted under the Code, as amended by EGTRRA, a distribution from an annuity contract described in Code §403(b); or (iv) to the extent permitted under the Code, as amended by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state.

The term "Rollover Contribution" also means assets representing a Participant's nonforfeitable interest in another retirement plan qualified under \$401(a) or 403(a) of the Code, or in a conduit individual retirement account or annuity, which assets have been transferred directly from the trustee (or other fiduciary) of such other plan, account or annuity to the Trustees of this Plan; provided, however, that such direct transfer shall not be accepted by the Trustee unless (A) the transfer constitutes an "elective transfer" under \$1.411(d)-4 Q&A-3(b) of regulations promulgated by the Secretary of the Treasury, (B) the plan from which the transfer is made provides no protected benefits under \$411(d)(6) of the Code which are not already provided under the Plan and (C) the transfer constitutes a direct rollover under \$402 of the Code.

In addition to the preceding, to the extent permitted under the Code, as amended by EGTRRA, the term "Rollover Contribution" shall further mean a direct rollover contribution of a distribution from an annuity contract described in Code §403(b), excluding after-tax contributions, or from an eligible plan under Code §457(b) that is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state.

The Administrator may reject any Rollover Contribution which is not qualified to be a Rollover Contribution to the Plan under the foregoing or under the Code. The Administrator may make all investigations necessary to determine whether any amount submitted as a Rollover Contribution may be received.

(c) <u>Vesting of Rollover Contributions</u>. Notwithstanding any other provision of this Plan, a Participant's Rollover Contributions are fully vested at all times.

(d) <u>Payment of Benefits</u>. Benefits attributable to a Participant's Rollover Contributions are payable at the same time, in the same manner, and, in the event of the Participant's death, to the same Beneficiary as the Participant's Accrued Benefit. Such benefits are in addition to the Plan's Accrued Benefit and are not subject to the limitation described in Section 5.8. (e) <u>Plan Termination</u>. Notwithstanding any provision of Section 9.3, if the Plan is terminated, distribution to each Participant of the portion of his or her Accrued Benefit that is attributable to Participant contributions under Section 4.7 or Rollover Contributions under this Section 4.6 shall be treated as a priority distribution ahead of any other distribution to Participants based upon the remainder of the Trust.

4.7 <u>OTHER PARTICIPANT CONTRIBUTIONS</u>. Under limited circumstances, as described below, other Participant contributions may be accepted by the Plan.

(a) <u>Characterization</u>. The contributions made pursuant to this Section 4.7 are distinct from those made pursuant to Section 4.5 as to the character of such contributions. Whereas Section 4.5 contributions are classified as County; or other Maryland Employer; contributions picked up from the pay of Participants, contributions made pursuant to this Section 4.7 are either made directly by the Participant or transferred directly from another Maryland Employer Retirement Plan.

Notwithstanding any provision of this Plan to the contrary, benefits with respect to Participants who transfer employment between Maryland governmental employers shall be governed by Title 37 of the State Personnel and Pensions Article of the Annotated Code of Maryland.

# (b) <u>Types of Contributions</u>.

(i) <u>Leave of Absence Purchase of Service Credit</u>. A Participant on a Leave of Absence who elects to purchase service credit pursuant to Section 3.1 shall contribute to the Plan the amount required under Section 3.1.

(ii) <u>Direct Transfer From Another Maryland Employer Plan</u>. The Trustees shall accept a direct transfer of after-tax Participant contributions, together with interest thereon, from another Maryland Employer, provided such contributions were made by a Covered Employee who elects to transfer service from another Maryland Employer Retirement Plan, as described in Section 3.3(a)(i).

(iii) <u>Cash-Out Restoration</u>. If, after a Termination Date: (i) a Participant receives a Cash-Out (either voluntarily or automatically) of his or her Employee Contributions Benefit, and (ii) the Participant again becomes a Covered Employee, Years of Service with respect to which the distribution was received will be disregarded. Notwithstanding the preceding sentence, if the Participant: (i) again becomes a Covered Employee, and (ii) contributes to the Plan, on or before his or her Annuity Starting Date, the Actuarial Equivalent of that portion of the Participant's projected benefit attributable to Years of Service with respect to which the distribution was received, the Participant's Years of Service before as well as after the Termination Date will be taken into account for vesting and benefit accrual purposes (subject to the remaining applicable provisions of this Article III3 and subject to Section 65.68).

(iv) <u>PEP\CETA Purchase of Service Credit</u>. A Participant who elects to purchase credit for service performed under the federal government PEP or CETA programs, as described in Section 3.3(a)(iii), shall contribute to the Plan the Actuarial Equivalent of his or her projected benefit attributable to such service.

(v) Other Purchases of Service Credit. A Participant who elects to

<sup>sh</sup> change to permit contributions based on new section 3.3(a)(v)

<sup>10</sup> 

<u>purchase credit for service, as described in Section 3.3(a)(v), shall contribute to the Plan the</u> <u>Actuarial Equivalent of his or her projected benefit attributable to such service.</u>

(c) <u>Procedures</u>. All Participant contributions or transfers made pursuant to this Section 4.7 shall be paid to the Trust.

(d) <u>Vesting of Participant Contributions</u>. Notwithstanding any provision of this Plan to the contrary, Participant contributions made to the Plan pursuant to this Section 4.7 are fully vested at all times.

(e) <u>Payment of Benefits</u>. Subject to the right of withdrawal described in Section 4.8, benefits purchased from the Participant's contributions are payable at the same time, in the same manner, and, in the event of the Participant's death, to the same Beneficiary as the remainder of the Participant's Accrued Benefit.

(f) <u>Plan Termination</u>. Notwithstanding any provision of Section 9.3, if the Plan is terminated, distribution to each Participant of the portion of his or her Accrued Benefit that is attributable to Participant contributions under this Section 4.7 or Rollover Contributions under Section 4.6 shall be treated as a priority distribution ahead of any other distribution to Participants based upon the remainder of the Trust.

4.8 <u>WITHDRAWAL OF EMPLOYEE CONTRIBUTION BENEFIT</u>. A Participant who has reached a Termination Date and is credited with at least five Years of Service may elect, at any time, to receive a Cash-Out of his or her Employee Contributions Benefit (including contributions described in Sections 4.5 and 4.7) by filing a written notice with the Coordinator. A Participant who has reached a Termination Date without being credited with at least five Years of Service automatically will have a Cash-Out of his or her Employee Contributions Benefit which will be paid as soon as administratively feasible following the Termination Date. In either case, a Cash-Out shall constitute full payment of all benefits due to the Participant under the Plan.

A Participant who receives a Cash-Out pursuant to this Section 4.8, forfeits the entire remaining portion of his or her Accrued Benefit. Any forfeited amount is subject to restoration as provided in Section 4.7(b)(iii).

# ARTICLE 5 <u>RETIREMENT BENEFITS</u>

5.1 <u>NORMAL RETIREMENT BENEFITS</u>. Subject to any limitations provided under the Plan, each Participant who is a Covered Employee on his or her Normal Retirement Age shall be 100% vested in his or her Plan benefit and shall be entitled to receive a monthly pension under this Plan, which shall commence at the later of the Participant's Normal Retirement Date or the first day of the month coincident with or next following the date of the Participant's actual retirement and continuing for the life of the Participant. The amount of the monthly pension will be one-twelfth of two percent of the Participant's Average Compensation multiplied by his or her Years of Service. For purposes of the preceding sentence, a Participant's Years of Service greater than 50 shall be disregarded.

5.2 <u>LATE RETIREMENT BENEFITS</u>. Subject to the requirements of Section 5.9, if a Participant remains a Covered Employee after the Participant's Normal Retirement Date, the

Participant's retirement benefits under the Plan shall not commence until the first day of the month coincident with or next following the Participant's Termination Date. The amount of the Participant's monthly pension will be the amount determined as provided in Section 5.1 as if the Participant had retired on his or her Normal Retirement Date, but adjusted by including any additional Years of Service that accrued after the Participant's Normal Retirement Date (but only to the extent that total Years of Service do not exceed 50) and by taking into account any increases in Average Compensation which may be generated by increases in Compensation earned since his or her Normal Retirement Date.

5.3 <u>EARLY RETIREMENT BENEFITS</u>. If a Participant shall, for any reason except death, retire on or after his or her Early Retirement Date and before his or her Normal Retirement Date, the Participant's retirement shall be considered as Early Retirement. Such a Participant may elect to receive an Early Retirement benefit (payable in accordance with the provisions of Section 5.4) which shall commence on the Participant's Normal Retirement Date or, at the election of the Participant, may commence on the first day of any month following his or her Early Retirement Date and on or before his or her Normal Retirement Date (such commencement date to be determined by the Participant by notice to the Committee in accordance with the rules adopted by the Committee). If a Participant's Early Retirement benefit commences prior to the Participant's Normal Retirement Date, such benefit shall be the pension benefit as computed under Section 5.1, reduced by one-half of one percent (0.5%) for each month by which the Participant's Annuity Starting Date precedes his or her Normal Retirement Date (determined as described in Section 1.3).

# 5.4 FORMS OF BENEFITS.

(a) <u>Normal Form of Benefit</u>. A Participant's monthly pension benefit, as computed in Section 5.1 above, shall be paid for the Participant's lifetime. Notwithstanding the preceding, if a Participant who elects to receive payment in the normal form of benefit payment dies before receiving in payments the value of his or her Employee Contributions Benefit, determined at the time of his or her Annuity Starting Date, the balance of the value of his or her Employee Contributions Benefit shall be paid to his or her Beneficiary.

(b) <u>Actuarial Equivalent Value Options</u>. In lieu of receiving the monthly pension benefit provided in Section 5.4(a) above, a Participant may elect (as provided in (c), below) to receive his or her pension benefit payable in accordance with one of the following options, which options are of Actuarial Equivalent Value to the benefit to which the Participant was entitled under Section 5.4(a). The options available to a Participant are:

(i) <u>Life Annuity With Period Certain</u>. A life annuity with five, ten (10)

or 15 years certain;

(ii) <u>Joint and Survivor Annuity</u>. A joint and 50%, 66-2/3 % or 100% survivor annuity. Notwithstanding the preceding, if a Participant who elects to receive payment in the form of a joint and survivor annuity and the Participant's designated survivor dies before receiving in payments the value of his or her Employee Contributions Benefit, determined at the time of his or her Annuity Starting Date, the balance of the value of the Participant's Employee Contributions Benefit shall be paid to his or her Beneficiary;

(iii) <u>Special Option</u>. Subject to the approval of the Administrator, and the requirements of applicable law, a Participant may make a written request to the Coordinator for any

other form of benefit. The determination of whether to provide a form of benefit under this Section 5.4(b)(iii) will be made by the Administrator, in its sole discretion. The Administrator's determination is final and binding and is not subject to review.

(iv) <u>Lump Sum Option</u>. The lump sum option is a Cash-Out distribution of the Participant's Employee Contributions Benefit, as described in Section 4.8, in lieu of all other benefits under the Plan.

(v) <u>Social Security Step-Up Option</u>. The Social Security Step-Up Option, is an annuity that is designed to provide the Participant with a series of payments which, when combined with Social Security benefits received by the Participant, provides a series of substantially equal payments over the lifetime of the Participant. For purposes of this section, it will be assumed that the Participant will begin to receive Social Security benefits at age 62 (whether or not the Participant actually begins to receive Social Security benefits at age 62).

(c) <u>Election of Options</u>. An election of an optional form of benefit under Section 5.4(b) above must be in writing (on a form provided by the Administrator) filed with the Administrator prior to the commencement of retirement benefit payments. If no election is made, then the normal form of benefit in Section 5.4(a), will be deemed to have been elected by the Participant. Once an election of an optional benefit form has been made and filed with the Administrator or has been deemed to have been made, and unless it is rescinded or changed before the commencement of benefit payments or before the purchase of an annuity that will pay the Participant's benefits, it cannot be rescinded or changed by the Participant.

Method of Payment. All benefit distributions shall be in cash (or in annuity (d)contracts as provided herein). The County shall determine, in its discretion, whether the distribution shall be funded through periodic payments made directly from the Trust, or through the purchase of annuity contracts, or whether a combination of such methods of distribution shall be used, and the County shall give to the Trustees such directions and information as may be necessary for the Trustees to carry out the decision of the County. If the County determines that any part of the distribution is to be funded through purchase of an annuity contract for a Participant, the County shall select the form of contract (including a variable annuity) to be purchased and shall direct the Trustees to pay the premium to the issuing company. The County shall direct that all right, title and interest in such contract shall remain in the Trustees under the terms of the Plan and the Participant shall have no right, title or interest therein except to receive the payments, and to change the Beneficiary from time to time. Alternatively, the County may direct that the contract be purchased in the name of the Participant and distributed to him or her free and clear of the Trust, in which case: (i) the contract shall be issued so as to be nontransferable, (ii) it shall not contain a death benefit in excess of the death benefit provided in Article 7 or in this Article 5, and (iii) it shall not contain provisions that expand upon, change or eliminate any Plan provisions applicable to distributions in annuity form.

5.5 <u>PAYMENTS TO MINORS AND INCOMPETENTS</u>. If the Administrator shall receive evidence satisfactory to it (a) that a Participant or Beneficiary entitled to receive any benefit under this Plan is, at the time when such benefit becomes payable, a minor, or is physically or mentally incompetent to receive such benefit and to give a valid release therefor, (b) that another person or an institution is then maintaining or has custody of such Participant or Beneficiary, and (c) that no guardian, committee or other representative of the estate of such Participant or Beneficiary has been duly appointed, the Administrator may authorize the Trustee to make payment of the benefit

otherwise payable to such Participant or Beneficiary to such other person or institution, including a custodian under a Uniform Gifts to Minors Act or corresponding legislation (who shall be an adult, a guardian of the minor or a trust company), and the release given by such other person or institution shall be a valid and complete discharge for the payment of such benefit.

5.6 <u>NON-LOCATABLE PARTICIPANTS</u>. The Administrator shall make a reasonable effort to locate all persons entitled to benefits under the Plan. Should the Administrator be unable to locate any person entitled to benefits, such benefits will remain in the Fund and shall be payable to such person at any future date that such person is located by the Administrator. Before the Administrator can deem that a person cannot be located, the Administrator shall send a certified letter to such person at his or her last known address advising the person that benefit payments shall be suspended unless the person responds to such certified letter.

5.7 <u>DISABILITY BENEFITS</u>. The Plan shall pay disability benefits determined in accordance with the following provisions:

# (a) <u>Ordinary Disability</u>.

(i) Subject to Section 5.7(c), if a Participant who has completed at least five Years of Service reaches a Termination Date by reason of total and permanent disability (as defined in Section 5.7(a)(ii)), he or she shall be entitled to receive a monthly disability benefit equal to the greater of (A) a monthly amount equal to one-twelfth (1/12) of 25% of his or her Average Compensation determined at the time his or her disability is incurred, or (B) the Participant's Accrued Benefit at the time his or her disability is incurred.

(ii) For purposes of this Section 5.7(a), a Participant shall be considered totally and permanently disabled if (A) the Committee determines, on the basis of a medical examination conducted by a physician or physicians selected by the County, that he or she is totally and permanently prevented from engaging in any occupation or employment for remuneration or profit, and that such condition was not a result of bodily injury in the performance of duty with the County or occupational disease incurred in the performance of duty with the County; and (B) the Participant is eligible for disability benefits under the provisions of the federal Social Security Act as in effect on the date the Participant otherwise becomes eligible for disability benefits under this Section 5.7(a).

(iii) A Participant ceases to qualify for disability benefits under this Section 5.7(a) on the earliest of (A) the date the Participant is no longer eligible for disability benefits under the provisions of the Social Security Act; (B) the date the Participant refuses to submit a report of his or her total earnings when requested by the County if he or she subsequently engages in an occupation or employment for remuneration or profit (other than for purposes of rehabilitation as approved by the Committee); and (C) the date the Participant attains age 65 (for a Participant whose disability is incurred on or before age 60) or the five-year anniversary of the date his or her disability benefits under this Section 5.7 commence (for a Participant whose disability is incurred after age 60). For any disability benefits to be paid under this Section 5.7(a) when the Participant becomes engaged in an occupation or employment for remuneration or profit, the Participant shall be required to report on an annual basis his or her total earnings from that occupation or employment and to provide the Committee with documents satisfactory to the Committee, including his or her federal income tax return, that will substantiate the earnings being reported.

#### (b) <u>Line of Duty Disability</u>.

(i) Subject to Section 5.7(c), if a Participant (regardless of length of service) reaches a Termination Date by reason of total and permanent disability (as defined in Section 5.7(a)(ii)), incurred as a result of an accident or injury which has been ruled compensable under the Maryland Workers' Compensation Act, the Participant will be entitled to receive a monthly benefit equal to the lesser of (A) the sum of (1) one-twelfth (1/12) of 66-2/3% of his or her Average Compensation determined at the time the disability is incurred, and (2) the Actuarial Equivalent of his or her Employee Contributions Benefit, or (B) one-twelfth (1/12)one-twelfth of his or her Average Compensation determined at the time the disability is incurred.

(ii) For purposes of this Section 5.7(b), a Participant will be considered totally and permanently disabled if the Committee determines, on the basis of a medical examination conducted by a physician or physicians selected by the County, that (A) the Participant is totally and permanently incapacitated as the natural and proximate result of bodily injury in the performance of his or her regular occupation with the County or occupational disease incurred in the performance of duty with the County at some definite time or place, without willful negligence on the Covered Employee's part; and (B) the Participant is unable to engage in his or her regular occupation with the County as a Covered Employee or to be employed by the County in some other position for which he or she is suited or which is appropriate given the Participant's training and experience and (C) the Participant is eligible for disability benefits under the provisions of the federal Social Security Act as in effect on the date he or she otherwise becomes eligible for disability benefits under this Section 5.7(b).

A DROP Participant must choose either Option (1) or Option (2). The chosen option will apply to the Participant's entire DROP Account.

If the DROP Participant elects to receive the value of the DROP Account in the form of a lump sum, the Participant may elect to have the lump sum distribution (a) paid as a cash distribution to the Participant of the Participant's entire DROP Account, or (b) treated as an Eligible Rollover Distribution (if applicable) under Section 5.11 equal to the Participant's entire DROP Account to an Eligible Retirement Plan designated by the Participant, or (c) distributed in any combination of a cash distribution to the Participant and an Eligible Rollover Distribution to a designated Eligible Retirement Plan, with the combined value being equal to the value of the DROP Participant's entire DROP Account.

(b) that no amendment shall deprive any Participant of any of the vested accrued benefits to which he or she is entitled to under this Plan;

(c) that no amendment shall provide for the use of the Fund other than for the benefit of **Participant sParticipants** and Beneficiaries, except as provided in Section 9.3;

> (d) that any amendment may be made retroactively; and

that no amendment shall deprive any Participant of any vested interest in his (e) or her Accrued Benefit.

9.2 AMENDMENT PROCEDURE. An amendment made under this Article shall be valid only if it is approved by the County Commissioners of Washington County, by amendment to the Public Local Laws of Washington County. Notwithstanding any other provision of County Law, no County resolution or ordinance that relates to the subject matter of the Plan will be effective with respect to the Plan unless the County acts by ordinance to specifically amend the relevant provisions of the Plan.

#### 9.3 TERMINATION OF THE PLAN.

The County reserves the right to terminate all or any portion of the Plan or to (a) terminate or limit the participation of any County in the Plan at any time.

(b) In the event of a termination or partial termination, as determined under applicable Internal Revenue Service regulations and rulings, of the Plan, all affected Participants on the date of the termination or partial termination, to the extent required by law, shall have a nonforfeitable right to benefits under this Plan accrued on the date of the termination or partial termination to the extent the same are funded as of such date. In addition, no person who is not a Participant on the date of the termination or, if relevant, a partial termination, may become a Participant on or after that date and no further benefits shall accrue to affected Participants after that date.

(c) Upon termination or partial termination of the Plan as described above, the Administrator, to the extent necessary, shall make provision for any expenses of the Plan and the Administrator shall allocate the assets of the Fund, as appropriate. Upon such allocation of assets, the Administrator shall have the authority to direct the liquidation and distribution of the Fund or to continue the operation of the Plan and the Fund in accordance with their provisions as from time to time established, including, as necessary, subsequent allocations of the Fund assets among persons entitled to benefits under this Plan in the manner provided in Section 79.2(d)4. In the event of liquidation, distributions from the Fund on the basis of the most recent allocation of assets, as described in Section 79.2(d)4, may be made in cash or by means of annuity contracts or certificates of equivalent value.

corrected section references above.

9.4 ALLOCATION AND DISTRIBUTION. This Section shall become operative upon any of the following events: (a) a complete termination of the County's liability to make further contributions to the Trust; (b) a complete discontinuance of contributions by the County to the Trust; or (c) a complete termination of the Plan. The provisions of this Section 9.4 also shall become operative in the event of a partial termination of the Plan, but only with respect to that portion of the Plan attributable to the Participants to whom the termination is applicable. The effective date of any termination or discontinuance of contributions shall be as set forth in a resolution adopted by the County. Upon the effective date of any such event, then, notwithstanding any other provisions of the Plan, no persons who are not Participants shall be eligible to become Participants, no further

benefits shall accrue and the Accrued Benefits of all Participants not then vested, and not previously forfeited, shall immediately become fully vested.

The allocation and distribution of Plan assets upon Plan termination will be made in a manner determined by the Committee to preclude individual discrimination, by the purchase of annuities or other equitable means of distribution. Notwithstanding any provision of this Plan to the contrary, if the balance of the Trust, as of the date of any event specified in this Section 9.3, exceeds the amount required to fully fund the benefits accrued to that date for all Participants who are then active, retired or disabled, the excess amount shall be returned to the County.

9.5 <u>AUTOMATIC TERMINATION OF CONTRIBUTIONS</u>. The liability of the County to make contributions to the Trust shall automatically terminate upon liquidation of the County, upon its adjudication as a bankrupt or upon the making of a general assignment for the benefit of creditors,  $\underline{}$ 

9.6 <u>TERMINATION PROCEDURE</u>. A termination or discontinuance made under this Article shall be valid only if it is approved by the County Commissioners of Washington County, by amendment to the Public Local Laws of Washington County.

9.7 <u>RELEASE AND DISCHARGE OF ADMINISTRATOR</u>. Notwithstanding the above, in case the Plan is terminated in whole or in part, the Administrator, to the extent permitted under applicable law, shall distribute the assets in the Fund. To the extent permitted by applicable law, when the assets in the Fund shall have been so applied or distributed and the accounts of the Fund shall have been so settled, the Administrator shall be released and discharged from all further accountability or liability respecting the Plan and the Fund (or that part of the Fund so applied or distributed if the Plan is terminated only in part) and shall not be responsible in any way for the further disposition of the Fund (or that part of the Fund so applied or distributed, if the Plan is terminated only in part) or any part thereof so applied or distributed.

# 11.5 <u>CERTIFICATIONS AND INVESTIGATIONS</u>.

(a) Whenever in the administration of the Plan a certification by the County is required to be given to the Administrator, or if the Administrator shall deem it necessary that a matter be proved by certification of the County prior to taking or omitting any action hereunder, such certification shall be duly made, and the matter shall be deemed proved, by an instrument delivered to the Administrator, signed in the name of the County by its duly authorized representative. The Administrator shall be empowered to act, and shall be protected in acting, upon such instrument. Further, the Administrator shall be empowered to act, and shall be protected in acting, upon any notice, resolution, order, offer, telegram, letter or other document believed by the Administrator to be genuine and to have been signed by the proper party or parties.

(b) The Administrator shall not be required to make any investigation to determine the identity or mailing address of any person entitled to benefits under this Plan and shall be entitled to withhold the payment of benefits until the identity and mailing addresses of persons entitled to benefits are certified to it by the County or by such person.

11.6 <u>CLAIMS PROCEDURE</u>. Any person claiming a benefit under the Plan (a "Claimant") shall present the claim, in writing, to the Administrator, and the Administrator shall respond in writing. If the claim is denied, the written notice of denial shall state, in a manner calculated to be understood by the Claimant:

(a) The specific reason or reasons for denial, with specific references to the Plan provisions on which the denial is based;

(b) A description of any additional material or information necessary for the Claimant to perfect his or her claim and an explanation of why such material or information is necessary; and

(c) An explanation of the Plan's claims review procedure.

The written notice denying or granting the Claimant's claim shall be provided to the Claimant within 90 days after the Administrator's receipt of the claim, unless special circumstances require an extension of time for processing the claim. If such an extension is required, written notice

of the extension shall be furnished by the Administrator to the Claimant within the initial 90 day period and in no event shall such an extension exceed a period of 90 days from the end of the initial 90 day period. Any extension notice shall indicate the special circumstances requiring the extension and the date on which the Administrator expects to render a decision on the claim. Any claim not granted or denied within the period noted above shall be deemed to have been denied.

Any Claimant whose claim is denied, or deemed to be denied under the preceding sentence, (or such Claimant's authorized representative) may, within 60 days after the Claimant's receipt of notice of the denial, or after the date of the deemed denial, request a review of the denial by notice given, in writing, to the Administrator. Upon such a request for review, the claim shall be reviewed by the County Commissioners (or a designated representative) which may, but shall not be required to, grant the Claimant a hearing. In connection with the review, the Claimant may have representation, may examine pertinent documents, and may submit issues and comments in writing.

The decision on review normally shall be made within 60 days of the Administrator's receipt of the request for review. If an extension of time is required due to special circumstances, the Claimant shall be notified, in writing, by the Administrator, and the time limit for the decision on review shall be extended to 120 days. The decision on review shall be in writing and shall state, in a manner calculated to be understood by the Claimant, the specific reasons for the decision and shall include references to the relevant Plan provisions on which the decision is based. The written decision on review shall be given to the Claimant within the 60 day (or, if applicable, the 120 day) time limit discussed above. If the decision on review is not communicated to the Claimant within the 60 day (or, if applicable, the 120 day) period discussed above, the claim shall be deemed to have been denied upon review. All decisions on review shall be final and binding with respect to all concerned parties.

11.7 <u>ADVICE</u>. The Administrator may secure specialized advice or assistance as it deems necessary or desirable in connection with the administration and operation of the Plan and shall be entitled to rely conclusively upon, and shall be fully protected in any action or omission taken by it in good faith reliance upon, any advice or opinion so obtained.

LIABILITY: INDEMNIFICATION. No member of the Administrator shall incur any 11.8 liability: (i) by virtue of any contract, agreement, bond or other instrument made or executed by the member or on the member's behalf as a member of the Administrator, (ii) for any act or failure to act, or any mistake or judgment made by the member, with respect to the business of the Plan, unless resulting from the member's gross negligence or willful misconduct, or (iii) for the neglect, omission or wrongdoing of any other member of the Administrator or of any person employed or retained by the Administrator. The County shall indemnify and hold harmless each member of the Administrator from the effects and consequences of the member's acts, omissions and conduct with respect to the Plan, except to the extent that such effects and consequences shall result from the member's own willful misconduct or gross negligence. The foregoing right to indemnification shall be in addition to such other rights as the Administrator may enjoy as a matter of law or by reason of insurance coverage of any kind. Rights granted hereunder shall be in addition to and not in lieu of any rights to indemnification to which the Administrator may be entitled pursuant to the by-laws of the County, and, if the Administrator is a Covered Employee, service as the Administrator shall be deemed in partial fulfillment of the member's employment function. In all computations, the Administrator shall be entitled to rely fully upon data furnished by the County and upon information furnished it by or on behalf of an employee or employees.

11.9 <u>INSURANCE</u>. The Plan may purchase, as an expense of the Plan, liability insurance for the Plan and/or for its fiduciaries to cover liability or losses occurring by reason of an act or omission by a fiduciary. In addition, any fiduciary may purchase, from and for the fiduciary's own account, insurance to protect the fiduciary in the event of a breach of fiduciary duty, and the County may also purchase insurance to cover the potential liability of one or more persons who serve in a fiduciary capacity with regard to the Plan.

11.10 <u>BONDING</u>. The Administrator shall arrange for such bonding, if any, as is required by law. Bonding in excess of the amount required by law shall not be considered required, but shall be permitted, by this Plan. The costs for such bonding shall be paid by the County or, if the County elects, from the Trust.

11.11 <u>COMPENSATION</u>. The Administrator shall serve without compensation, but all expenses of the Administrator incurred in the performance of duties hereunder shall be proper charges to the Trust and shall be paid therefrom unless the County, in its discretion, chooses to pay such expenses.

11.12 <u>PLAN RECORDS</u>. The Administrator, or the Secretary of the Administrator shall keep or cause to be kept records reflecting administration of the Plan, which records shall be subject to audit by the County. A Participant may examine only those records pertaining directly to the Participant.

11.13 <u>INSTRUCTIONS TO TRUSTEES</u>. The Administrator shall provide appropriate written instructions to the Trustee signed by an authorized member or members of the Administrator to enable it to make the distributions provided for in the Plan. The Trustee shall be entitled to rely upon any written notice, instruction, direction, certificate or other communication reasonably believed by it to be genuine and to be signed by an authorized member of the Administrator or an officer of the County, and the Trustee shall be under no duty to make investigation or inquiry as to the truth or accuracy of any statement contained therein, unless it knows that the direction or instruction constitutes a breach of the Administrator's or an<u>the</u> County's fiduciary responsibility with respect to the Plan.

11.14 <u>INVESTMENT MANAGERS</u>. The County's power to retain the services of an investment manager(s) for the management of (including the power to acquire and dispose of) all or any part of the Fund's assets, shall be limited to the retention of such persons or firms that are registered as investment managers under the Investment Advisers Act of 1940, as Banks (as defined in that Act), or which are insurance companies qualified to manage, acquire or dispose of the Fund's assets under the laws of more than one state, and provided that each of such persons or firms has acknowledged to the Administrator and the Trustee in writing that he or she is a fiduciary with respect to the Plan. In such event, the Trustee shall not be liable for the acts or omissions of such investment manager or managers, nor shall it be under any obligation to invest or otherwise manage any assets which are subject to the management of such investment manager or managers.

### ARTICLE 12 <u>MISCELLANEOUS</u>

12.1 <u>NO RIGHT TO EMPLOYMENT</u>. Participation in this Plan shall not give any person the right to be retained in the employ of the County, or any right or interest in this Plan other than as herein provided.

12.2 <u>HEADINGS</u>. The headings and sub-headings in this instrument are inserted for convenience of reference only and are not to be considered in construing the provisions hereof.

12.3 <u>COUNTERPARTS</u>. This instrument may be executed in any number of counterparts, each of which shall be deemed an original, and said counterparts shall constitute but one and the same instrument, which may be sufficiently evidenced by any one counterpart.

12.4 <u>GOVERNING LAW</u>. Except to the extent preempted by applicable Federal law, this Plan shall be construed, administered and governed in all respects under and by the laws of the State of Maryland.

12.5 <u>UNIFORM TREATMENT</u>. This Plan shall be administered and construed in a uniform and non-discriminatory manner, treating similarly situated Participants alike.

12.6 <u>RULES AND REGULATIONS</u>. By becoming a Participant, every Participant shall thereby be deemed to have agreed to abide by the rules and regulations of the Administrator made in accordance with this Plan, and to sign all papers necessary for the compliance therewith.

12.7 <u>LOCATION OF PARTICIPANT OR BENEFICIARY UNKNOWN</u>. In the event that all, or any portion, of the distribution payable to a Participant or a Beneficiary shall remain unpaid solely because the Administrator cannot ascertain the whereabouts of the Participant or Beneficiary, after sending a registered letter, return receipt requested, to the last known address, and after further diligent effort, the amount so distributable shall be treated as a forfeiture and used to reduce the contribution for that Plan Year. However, the dollar amount, unadjusted for gains or losses in the interim, shall be reinstated if a claim for the benefit is made by the Participant or Beneficiary to whom it was payable. If a benefit payable to an unlocated Participant or Beneficiary is subject to escheat pursuant to applicable state law, neither the Trustee nor the County shall be liable to any person for any payment made in accordance with such law.

12.8 NO ASSIGNMENT OF BENEFITS. Except as expressly provided herein, no benefits under the Plan may be assigned or alienated, and the Trustee shall pay all amounts payable hereunder, and shall distribute all assets distributable hereunder, to any person, into the hands of such person and not unto any other person or corporation whatsoever, whether claiming by his or her authority or otherwise; nor may said payments be anticipated. Except as expressly provided herein, the interest of any Participant hereunder may not be assigned or encumbered, nor shall it be subject to attachment or other judicial process. However, deposit to the credit of the account of any person in a bank or trust company designated by such person in writing shall be deemed to be the equivalent of payment into the hands of such person. Notwithstanding the foregoing, amounts held for the benefit of a Participant may be paid in accordance with a "qualified domestic relations order" as defined in Code §414(p) (or a domestic relations order entered before January 1, 1985 which, in the judgment of the Administrator, is entitled to be treated as a qualified domestic relations order), so long as the payment complies with Code §414(p). Notwithstanding the foregoing, amounts held for the benefit of a Participant may be paid in accordance with a domestic relations order, if required under applicable law. Notwithstanding the foregoing, a Participant's benefits under the Plan may be offset if the offset is permitted under applicable law.

12.9 <u>EXCLUSIVE BENEFIT</u>. The Trust Fund shall be held by the Trustee for the exclusive purpose of providing benefits to Participants and their beneficiaries and defraying reasonable expenses of administering the Plan. No part of the Trust shall ever inure to the benefit

of the County prior to the satisfaction of all liabilities to all Participants and their beneficiaries, except that:

(a) Any contribution made to the Trust Fund by the County which is attributable to a mistake of fact may be returned to the County within one year after such contribution was made;

(b) All contributions shall be conditioned on the initial qualification of the Plan under Code §401, and if the Plan does not qualify, then such contributions may be returned to the County within one year after the date of denial of qualification of the Plan.

(c) If a return of contributions pursuant to the foregoing is due to a good faith mistake of fact or a good faith mistake in determining the deductibility of the contribution:

(i) The amount which may be returned to the County is the excess of the amount contributed over the amount that would have been contributed had there not occurred a mistake of fact or a mistake in determining the deduction; and

(ii) Earnings attributable to such excess contribution may not be withdrawn, but losses attributable thereto must reduce the amount to be returned.

(d) In the case of the termination of the Plan, any residual assets of the Plan shall be distributed to the County at the direction of the Administrator if all liabilities of the Plan to Participants and their Beneficiaries have been satisfied and the distribution does not contravene any provision of law.

12.10 <u>STATUTE OF LIMITATIONS</u>. No legal action may be commenced or maintained to recover benefits under this Plan more than 12 months after the final review/appeal decision by the Plan Administrator has been rendered (or deemed rendered).

**IN WITNESS WHEREOF**, as evidence of its adoption of this Plan, the County has caused this Plan to be executed, and, if a separate Trust agreement is not entered into between the County and the Trustee, the Trustee has joined herein to evidence its acceptance of the provisions of the Plan applicable to the Trustee, generally effective July 1, 2015<u>9</u>.

**Open Session Item** 

SUBJECT: Authorization to Decline Acquisition of Certain State Surplus Properties

PRESENTATION DATE: March 16, 2021

PRESENTATION BY: Todd Moser, Real Property Administrator

**RECOMMENDED MOTION:** Move to approve the authorization of the Real Property Administrator to decline certain State surplus properties after review with the Engineering, Public Works, and Planning & Zoning departments and to approve an ordinance granting said authorization.

**REPORT-IN-BRIEF:** The Maryland Department of Transportation State Highway Administration (MDOT SHA) provides the County 60 days to review State surplus property, request additional information, and declare interest in purchasing said property for fair market value that has been cleared by the MDOT SHA disposition process.

**DISCUSSION:** MDOT SHA receives letters of interest from third-party inquirers, often from adjoining property owners regarding remaining State-owned land from prior road and drainage projects. MDOT SHA reviews the land internally and determines if it can proceed to State clearance property status. Once the property has been declared clearance property, per MDOT SHA Policy and Procedures and prior to proceeding with any additional sales activity, the County is given a 60-day review period as mentioned above. If the County/Municipality declines and it is determined that the parcel is developable and has access, the State offers the property at public auction. If the property does not have access or is not buildable, the State offers it to the adjoining property owners through a sealed bid process.

Due to the marked increase in the number of surplus parcels offered by the MDOT SHA to the Board of County Commissioners, staff is seeking authorization to decline State surplus properties deemed to be non-beneficial to any future project or unnecessary to serve any other public purpose. This authorization would maximize staff efficiency, expedite the process of placing the properties back on the tax rolls, and relieve undue burden on the Board's resources and meetings.

Under the proposed ordinance, properties that are deemed beneficial to the County would continue to be presented to the Board for approval.

#### ORDINANCE NO. ORD-2021-

# AN ORDINANCE TO AUTHORIZE THE REAL PROPERTY ADMINISTRATOR TO DECLINE CERTAIN OFFERS TO PURCHASE SURPLUS PARCELS FROM THE MARYLAND DEPARTMENT OF TRANSPORTATION STATE HIGHWAY ADMINISTRATION

WHEREAS, the Maryland Department of Transportation State Highway Administration (MDOT SHA) disposes of certain surplus parcels of real estate ("Surplus Parcel(s)") that have been cleared for disposition advancement in accordance with Md. Code Ann., *Trans.* § 8-309, and applicable COMAR regulations, policies, and procedures, including, without limitation, MDOT Policy and Procedures (the "MDOT SHA Disposition Process").

WHEREAS, during the MDOT SHA Disposition Process, certain of said Surplus Parcels that are cleared for disposition advancement may be made available for use by the State, a Maryland County, or a Maryland municipality for any transportation purpose or other public purposes, said Surplus Parcels offered by MDOT SHA as offeror to a governmental entity or agency as offeree for purchase at fair market value.

WHEREAS, pursuant to Subtitle 3, Sections 1-301 and 1-302, of the Code of the Public Local Laws of Washington County (the "Code"), the Board of County Commissioners of Washington County, Maryland (the "Board"), is authorized to acquire and convey real property by the means and methods, and for the purposes, stated therein.

WHEREAS, when a Surplus Parcel has been cleared by the MDOT SHA Disposition Process and offered to the Board for purchase at fair market value, the Washington County Real Property Administrator, together with staff of the Department of Engineering, the Division of Public Works, and the Department of Planning and Zoning, undertake an internal review to determine whether the offer should be recommended for approval and acceptance by the Board because the Surplus Parcel is of benefit to a future project or because there is a clear reason for the Board to acquire ownership of the Surplus Parcel, or whether the offer should be recommended for disapproval and declination by the Board because acquisition of the Surplus Parcel would not be of benefit to or further the interests of Washington County and its citizens (the "County's Internal Clearing Process"). WHEREAS, the volume of Surplus Parcels offered by the MDOT SHA to the Board for purchase consideration has markedly increased, particularly Surplus Parcels that are small in area as remaining lands of drainage and other types of projects previously initiated and completed by the State.

WHEREAS, given the marked increase in volume of the Surplus Parcels offered by the MDOT SHA to the Board, the Board's meeting agendas will be unduly inundated and burdened, and the Board's meeting lengths will be significantly elongated, if the Real Property Administrator continues to present each Surplus Parcel for the Board's approval and acceptance or disapproval and declination.

WHEREAS, to avoid undue burden and hardship on the Board's resources and time, and to maximize staff's efficiency in conducting the County's Internal Clearing Process, the Real Property Administrator should be authorized to disapprove and decline offers on any Surplus Parcels emerging from the County's Internal Clearing Process with a designation of non-beneficial to any future project or unnecessary to serve any other public purpose.

WHEREAS, the Real Property Administrator will continue to present offers from the MDOT SHA to the Board, for approval and acceptance or for disapproval and declination, of any Surplus Parcels emerging from the County's Internal Clearing Process with a designation of beneficial to any future project or necessary to serve any other public purpose.

THEREFORE, BE IT ORDAINED, by the Board of County Commissioners of Washington County, Maryland, as follows:

1. As the volume of Surplus Parcels offered by the MDOT SHA to the Board has increased, the Board hereby authorizes and delegates authority to the Real Property Administrator, on behalf of the Board, to disapprove and decline offers on any Surplus Parcels determined to be non-beneficial or unnecessary by the County's Internal Clearing Process.

2. The Real Property Administrator will continue to present offers from the MDOT SHA to the Board, for approval and acceptance or for disapproval and declination, of any Surplus Parcels emerging from the County's Internal Clearing Process with a designation of beneficial to any future project or necessary to serve any other public purpose. 3. The President of the Board of County Commissioners of Washington County, Maryland, and the County Clerk be, and are hereby, authorized to execute this Ordinance for the purpose of authorizing the Real Property Administrator, on behalf of the Board, to disapprove and decline MDOT SHA offers of Surplus Parcels determined to be non-beneficial or unnecessary by the County's Internal Clearing Process.

ADOPTED AND EFFECTIVE this \_\_\_\_\_ day of \_\_\_\_\_, 2021.

Agenda Report Form

**Open Session Item** 

**SUBJECT:** Temporary/Seasonal Part Time Wages

PRESENTATION DATE: March 16, 2021

**PRESENTATION BY:** Deborah Condo, Deputy Director of Human Resources; Andrew Eshlemen, Director of Public Works; Sara Greaves, Chief Financial Officer

**RECOMMENDED MOTION:** To approve that the County Administrator have full authority to set wages for Part-Time Seasonal and Temporary employees only for a period of up to 12 months.

**REPORT-IN-BRIEF:** The County has reduced the number of applicable steps on the pay scale as minimum wage continues to increase. This has created a situation where grades 1 through 4 have a starting rate within \$.02-\$.05 of each other. Where there used to be an 8% gap between grades, there is now less than a 1% differential. This has become problematic as the County looks to hire seasonal part time employees.

**DISCUSSION:** While addressing the concern related to hiring for calendar year 2021 is of the most immediate importance, the county does recognize a need for a more permanent solution. It is possible a new scale should be created for temporary/seasonal part time workers. Staff will continue to review possible remedies and bring a solution to the BOCC within the next 12 months for consideration.

**FISCAL IMPACT:** Not available, estimate for Public Works is \$25K and can be absorbed in their existing budget.

**Open Session Item** 

**SUBJECT:** FY22 Highway Budget

PRESENTATION DATE: March 16, 2021

**PRESENTATION BY:** Andrew Eshleman, Director of Public Works; Zane Rowe, Deputy Director of Highway

**RECOMMENDED MOTION(S):** For informational purposes

**REPORT-IN-BRIEF:** The Washington County Highway Department is responsible for the maintenance of the County's Road system; this includes but is not limited to patching, resurfacing, stabilization of dirt roads, keeping ditch lines clear of debris, mowing along County right of ways, mowing storm water management ponds, snow and ice removal, line striping, signal maintenance and signing of County Roads both regulatory and directional. Our fleet department also provides maintenance service for County owned vehicles.

**DISCUSSION:** The Highway budget increased over FY21 by \$140,450 and 1.20%. The increase is mainly the result of the 2.5% step and 1% COLA.

The General Fund contribution to Highway has increased by \$211,680 to account for the wage increase and also to supplant the reduction in Highway User Revenue.
