STATEMENT OF PURPOSE

This report is designed to communicate the County's major financial trends for the indicated period since the issuance of the prior audited financial statements.

This report is interim in nature and abbreviated in that it does not include details for all the various funds maintained by the county. Additionally, this report omits many of the required note disclosures typically found in a fiscal year-end financial statement report. The information contained here is intended to allow management to make limited assessments of near-term trends that may have an

impact on operations and financial results. Management views this interim period as an integral part of the annual period.

The report includes information regarding some of the more notable recent developments that may impact County finances, along with summarized information relating to various operations within the county and the economic trends. This report is general in nature. The reader is cautioned that it does not provide the level of detail nor the comprehensive scope found in a fiscal year-end financial statement. Those desir-

ing or needing such information should contact The Office of Budget and Finance.

We hope that you find this report informative and meaningful. If you have any questions regarding this report, please contact The Office of Budget and Finance at 240-313-2300.

This report is provided for general information use only. The information contained in the document speaks only as of its report date.
