The Washington County Office of Grant Management (OGM), in partnership with the Governor's Office for Children, is seeking Combined Qualification and Experience Proposals and Technical Proposals, as well as Price Proposals from qualified human service organizations to provide and implement **School Based Mental Health Services** in Washington County. The purpose of the service to be provided and of this agreement is to fulfill the requirements of the County's Community Partnership Agreement (CPA) for fiscal year 2020 with the Governor's Office for Children (GOC).
- B. All qualified organizations are hereby invited to make submittals regarding their qualifications and experience with an accompanying Technical Proposal. In addition, they are to submit Price Proposals at this time.
- C. The Contractor agrees to observe all state and federal laws and regulations as to disclosure of information and records on children, youth and families being served.
- D. The Grant will meet all provisions effective at the time the proposal is awarded. The following Scope of Work represents, but will not limit, the extent of services required.

### **II. SCOPE OF WORK**

The mental health needs of Washington County youth are a great concern to many mental health professionals and organizations. Suicide is listed as the third leading cause of death between ages 15-24. Several issues impacting youth's mental health include family history of suicide, family violence, family history of mental disorder, substance abuse,

physical or sexual abuse, bullying, neglect, families below poverty level, firearms in homes, incarceration of family members, crime rate, teen pregnancy/births, exposure to suicidal behavior of others, such as family members, peers, or media figures. These issues are impacting the lives of Washington County youth making it difficult for them to do well in school when trying to manage these issues on their own. The overall goal of the School Based Mental Health Services program is to address mental health needs of students attending Washington County Public Schools.

**Respondent may apply to both or only one of the two options (Option A or Option B) for which they are eligible. The County reserves the right to award either Option A or Option B or both.**

**Option A** – Services will be provided at Western Heights Middle School and South Hagerstown High School and four (4) additional schools which will be determined by agreement between the service provider and Washington County Public Schools with the approval of the Local Management Board (LMB).

**Option B** - In addition to the six (6) schools included in Option A, funding is being sought to provide services at an additional four (4) schools, bringing the total number of schools served under Option A and B to ten (10) schools, which will be determined by agreement between the service provider and Washington County Public Schools with approval of the LMB.

1. School Based Mental Health Services is a program that will provide services that are expected to be short term and consist of crisis management, screening, short term therapeutic assistance and/or referral for additional services as determined necessary. This RFP requests that a Clinician be onsite a minimum of seven (7) hours per week at each school. In addition to the time allotted for the Clinician, an additional one (1) hour per week per school shall be allotted for administrative time spent coordinating/collaborating services with the Health and Wellness Center staff or School staff, for a total of eight (8) hours of services. Services will only be provided while school is in session. The provider may limit number of visits by a patient in order to accommodate all students demonstrating a need for services. The provider will provide the greatest number of service hours possible for the amount of funding available.

Clinical services will be provided concurrent with the Washington County Public School calendar year. The grant will allow for one (1) week pre-school year for administrative start time and will allow one (1) week post-school year for administrative close-out time.

2. Services will be provided at no cost to the students. However, third-party billing for off-site services shall be permitted and will be a private transaction between the patient/parent/guardian and the service provider.
3. Staff providing clinical services shall possess a Licensed Clinical Social Worker certification or greater. Experience and/or certifications pertaining to children and adolescent mental health are preferred.

4. A Memorandum of Understanding (MOU) between the service provider and Washington County Public Schools (WCPS) is required to be executed prior to the start of services. The Contractor shall obtain all necessary malpractice and liability insurances in the amounts required by WCPS and Washington County Government.
5. The Contractor shall accept referrals for services from (including but not limited to): student self-referrals, WCPS staff, School Based Health Center (SBHC) staff, outside mental healthcare providers, and parents and/or guardians. The Contractor will be responsible for the generation, maintenance and retention of medical records resulting from the services provided in accordance with HIPPA and FERPA regulations. The Contractor shall coordinate the record retention provisions with WCPS staff to ensure compliance with WCPS policies.
6. All Clinicians shall comply with criminal records background checks standards and shall affirm in writing that these checks have been conducted and the clinicians are not disqualified from performing child or adolescent care. Standards of consent for services must be obtained by the Contractor prior to the services being rendered. The standard of consent must be consistent with Local, State, and Federal Regulations. The Contractor shall communicate and cooperate with WCPS staff, OGM staff and SBHC staff in a matter that is consistent with professional standards. All standard LMB, WCPS, OGM and GOC contract conditions and reporting standards shall be adhered to as a condition of this grant award.
7. Performance measures will be provided as part of an Evaluation Contract which will be determined by the OGM Grant Manager in concurrence with the Local Management Board (LMB). Performance measures shall detail program data measures for the program. Collection of program data is the responsibility of the selected Contractor. Data measures can vary and maybe revised each fiscal year by the OGM in consultation with the Contractor with the concurrence of the LMB.

A. Parameters of the Award of Funds

1. The contract services resulting from the award of funds for School Based Mental Health Services will begin on August 1, 2019 and end June 30, 2020 with an option by the OGM to renew the awarded Contractor for up to one (1) consecutive one-year period through fiscal year 2021. The maximum award to be expected for FY 2020 Option A is \$211,560. The maximum award to be expected for FY 2020 Option B is \$120,000. The County reserves the right to award either Option A or Option B or both.

G. Budget Modification

The Contractor may request a Budget Modification to reallocate the existing budget any time prior to the expiration of the contract. A modification does not affect the amount of the award but may affect the total amount available for other services. A modification signed by both parties becomes an addendum to the Contract and supersedes the original budget or any intervening supplemental budget.

1. Requirement -The Contractor must request approval in writing for a budget modification to the OGM Grant Manager for the proposed changes.

2. Approval -The OGM Director or his/her designee must approve the budget modification in writing to authorize the contemplated change. Restrictions placed upon the OGM by the grant source will have an impact upon the approval of budget modifications.

#### I. Additional Fiscal Reports

Unless waived by the State of Maryland, Contractor shall have an independent financial audit of its operations performed annually during the term of this Contract and shall provide OGM with a copy of the auditor's report within fifteen (15) days after its receipt by Contractor. For any twelve-month period of July 1 through June 30 in which Contractor receives in excess of \$300,000 in State of Maryland Governor's Office for Children (GOC) Subcabinet Funds under this Contract or under this Contract or other Contracts with the BCC, the audit report shall include a separate schedule of the total funds received and expended or disbursed under this Contract or this Contract and other Contract(s), as the case may be.
