ITEM NO. 1: *Inquiry:* We would like to request a bid extension to Monday August 5th if possible.

Refer to the bid document, Page 18, Supplemental Terms and Conditions Item No. 11, Late Charges; CHANGE, this paragraph to read as follows: Assessments will be made at the rate of

one (1%) percent of the bid price per consecutive calendar day if the successful Contractor fails to complete the project on or before October 22, 2019. This assessment shall be deducted from the invoice price.

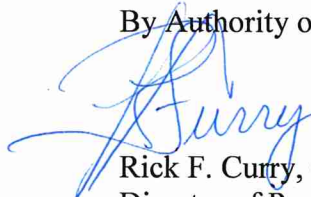

ITEM NO. 2: Inquiry: Since there was not a complete design with engineered drawings we have had some trouble getting subcontractor coverage. We also would need to set up a site visit for an electrical contractor to investigate where power can be obtained and too see if there are any spare circuits available for the 12 total number of receptacles.

Response: A site visit can be arranged with prior notice, but there are currently two (2) power sources for the existing units:

1. Via a power pole located at the divider
2. Connection behind the existing panel to the left of the existing door (see below)
