PUR-1452  
ADDENDUM NO. 3  
INVITATION TO BID

ROOF MEMBRANE REPLACEMENT  
WASTEWATER TREATMENT PLANT MULTIPLIABLE BUILDINGS

DATE: Tuesday, November 26, 2019

BIDS DUE: Wednesday December 18, 2019  
(Revised Due Date via Addendum No.3) 2:00 P.M.

To Bidders:

This Addendum is hereby made a part of the Contract Documents on which all bids will be based and is issued to correct and clarify the original documents.

Please acknowledge receipt of this Addendum at the appropriate space on the Proposal Form. This Addendum consists of two (2) pages.

**NOTE: All Bidders must enter the Washington County Administration Complex through either the front door at the 100 West Washington Street entrance or through the rear entrance (w/blue canopy roof) which is handicap accessible and must use the elevator to access the Purchasing Department to submit their bid and/or to attend the Pre-Bid Conference. Alternate routes are controlled by a door access system. Washington County Government has announced new security protocols being implemented at the Washington County Administration Complex at 100 West Washington Street, Hagerstown. The new measures took effect Tuesday, February 14, 2017. The general public will be subject to wand search and will be required to remove any unauthorized items from the building prior to entry. Prohibited items include but are not limited to: Weapons of any type; Firearms, ammunition and explosive devices; Cutting instruments of any type - including knives, scissors, box cutters, work tools, knitting needles, or anything with a cutting edge, etc.; Pepper spray, mace or any other chemical defense sprays; and Illegal substances.**

**ITEM NO. 1:** *Inquiry:* Item # 2 on addendum 2 was not answered in addendum # 1. We still need to know what the existing insulation and insulation thickness is on each building for disposal tonnage and dumpster pulls. Roof cuts really need to be completed. Is there a possibility that there is an existing BUR under the TPO roof system? No way to know until roof cuts are performed. Please advise. It would be a pretty large change order if there would be an existing roof under the TPO.

*Response:* A core sample will be done and the results from the report will be provided upon completion.
