**GENERAL CONDITIONS AND INSTRUCTIONS TO BIDDERS**  
Supply and Service Contracts

**INTRODUCTION**

The general rules and conditions which follow, along with all other documents consisting of this "Bid Document," apply to all purchases and become a definite part of each formal invitation to bid, purchase order, contract, or other award issued by the Washington County's Director of Purchasing (hereinafter "Director of Purchasing"), unless otherwise specified. Bidders or their authorized representatives are expected to fully inform themselves as to the conditions, requirements, and specifications before submitting bids; failure to do so will be at the Bidder's own risk and they cannot secure relief on the plea of error. Bidders are advised that all costs related to preparing and/or submitting a Bid or Proposal shall be borne by the Bidder.

Satisfactory evidence of authority to bind the firm by the person signing the Bid when submitted by partnerships or corporations may be requested by the County prior to making any award. Anyone signing a Bid as an agent shall include evidence of his/her authority to do so.

Subject to Maryland State and Washington County, Maryland (hereinafter "County") laws and all rules, regulations and limitations imposed by legislation of the Federal Government, bids on all advertisements and invitations issued by the Washington County Purchasing Department shall bind bidders to applicable conditions and requirements set forth herein unless otherwise specified in the Invitation to Bid. Should there be a conflict in laws between states, State of Maryland law shall prevail.

*Should there be a conflict between the general bid conditions and the supplemental bid conditions (if any), the supplemental bid conditions shall prevail.*

**GENERAL CONDITIONS OF BIDDING**

1. **Bids Binding for Ninety (90) Days:** Unless otherwise specified all formal bids submitted shall be binding for ninety (90) calendar days following bid opening date, unless the bidder, upon request of the Director of Purchasing, agrees to an extension.
2. **Bids for All or Part:** Unless otherwise specified by the County or by the Bidder, the County reserves the right to make award on all items, or on any of the items according to the best interests of the County. Bidder may restrict his/her bid to consideration in the aggregate by so stating, but should name a unit price on each item bid upon; any bid in which the bidder names a total price for all the articles without quoting a price on each and every separate item, may be rejected at the option of the County.
3. **Catalogs:** Each Bidder shall submit where necessary or when requested by the Director of Purchasing, catalogs, descriptive literature, and detailed drawings, fully detailing features, designs, construction, finishes and the like necessary to fully describe the materials or work they propose to furnish.

4. **Collusive Bidding:** The Bidder certifies that his/her bid is made without any previous understanding, agreement or connection with any person firm, or corporation making a bid for the same project, without unlawful prior knowledge of competitive prices, and is in all respects fair, without outside control, collusion, fraud or otherwise illegal action.
5. **Competency of Bidder:** No proposal shall be accepted from or contract awarded to any person, firm or corporation that is in arrears or is in default to Washington County upon any debt or contract, or that is a defaulter, as surety or otherwise, upon any obligation to said County, or had failed to perform faithfully any previous contract with the County. The Bidder, if requested, must present within forty-eight (48) hours evidence satisfactory to the Director of Purchasing of performance ability and possession of necessary facilities, pecuniary resources and adequate insurance to comply with the terms of these specifications and contract documents.

The successful Bidder shall actively cooperate in all matters pertaining to the proper compliance of this contract and shall come to the office of the Director of Purchasing whenever requested in connection with the performance of this contract.

The successful Bidder shall inform the Director of Purchasing of any and all circumstances which may impede the progress of the work or inhibit the performance of the contract including, but not limited to: bankruptcy, dissolution or liquidation, merger, sale of business, assignment, etc.

The County may examine the Bidder's and any first-tier subcontractor's records to determine and verify compliance with the contract. The Bidder and any first-tier subcontractor must grant the County access to these records at all reasonable times during the contract term and for three (3) years after final payment. If the contract is supported to any extent by Federal or State funds, the appropriate Federal or State authorities may also examine these records. The Bidder must include the preceding language of this paragraph in all first-time subcontracts.

9. **Errors in Bids:** When an error is made in extending total prices, the written unit bid price shall govern. In the absence of written prices, the unit bid price shall govern. Carelessness in quoting prices, or in preparation of bid, otherwise, will not relieve the Bidder. *Erasures or changes in bids must be initialed.*
10. **General Guaranty:** Bidder agrees to:

- A. Save the County, its agents and employees harmless from liability of any nature or kind for the use of any copyrighted or uncopied composition, secret process, patented or unpatented, invention, article or appliance furnished or used in the performance of the contract which the Bidder is not the patentee, assignee, licensee or owner.
- B. Protect the County against latent defective material or workmanship and to repair or replace any damages or marring occasioned in transit or delivery.
- C. Furnish adequate protection against damage to all work and to repair damages of any kind, to the building or equipment, to their own work or to the work of other contractors, for which their worker is responsible due to the negligence in the course and scope of the employment.
- D. Pay for all permits, licenses and fees and give all notices and comply with all laws, ordinances, rules and regulations of the County and State of Maryland.

**11. Illegal Immigrants:**

- A. The Bidder shall comply with the Immigration and Nationality Act (INA) which includes provisions addressing employment eligibility, employment verification, and nondiscrimination. Under the INA, the Bidder may hire only persons who may legally work in the United States (i.e., citizens and nationals of the U.S.) and aliens authorized to work in the U.S. The Bidder shall verify the identity and employment eligibility of anyone employed or to be employed, including completion of the Employment Eligibility Verification Form (I-9). The Bidder shall establish appropriate procedures and controls to ensure that no services under this Contract will be performed by any worker who is not legally eligible to perform such services or for employment.
- B. Failure by the Bidder or his/her Sub-Contractors to comply with the provisions of Section 11.a. herein will be grounds for termination of the Contract.

**12. Insurance:** Liability insurance on all major divisions of coverage for each and every Bidder and subcontractor shall be required for the length of the contract. Bidder and subcontractor must supply evidence of insurance upon request. Each Bidder agrees to assist in every manner possible in the reporting and investigation of any accident, and upon request, agrees to cooperate with all interested insurance carriers in the handling of any claims by securing and giving evidence and obtaining the attendance of witnesses as required for any claim or suit. The Bidder shall be prepared to show evidence of insurance as required under Washington County's *Insurance Requirements for Independent Contractors Policy*, included herein, prior to the execution of any contract. The Bidder, if requested, shall provide the Certificate of Insurance to the Purchasing Department within ten (10) calendar days after receiving a request for it. Failure to provide an acceptable Certificate of Insurance within the time frame stated above shall be cause to terminate the contract(s). The certificate shall state that such insurance is in force and cannot be cancelled or released except upon thirty (30) days prior written notice to the County. If any of the stated coverages expire during the term of this contract, the Bidder shall deliver renewal certificates to the County at least ten (10) calendar days prior to the expiration.

13. **Interpretations, Discrepancies, Omissions:** Should any Bidder find discrepancies in, or omissions from the documents or be in doubt of their meaning, he/she should at once request, in writing, an interpretation from:

All necessary interpretations will be issued to all Bidders in the form of addenda to the specifications, and such addenda shall become part of the contract documents. Exceptions as taken in no way obligate the County to change the specifications. Failure of any Bidder to receive any such addendum or interpretation shall not relieve such Bidder from any obligation under his/her bid as submitted. The County shall assume no responsibility for oral instructions or suggestions. ORAL ANSWERS WILL NOT BE BINDING ON THE COUNTY. Requests received after 4:00 P.M. on the date included in the Supplemental Terms and Conditions may not be considered.

16. **Mailing of Bids:** The County assumes no responsibility for the timely deliverance of mailed bids. Ample time should be allowed for the transmittal of bids by mail, and postmarks indicating the date of mailing will not be considered as evidence of intent to submit bids in proper time for the opening. If an emergency or unanticipated event interrupts normal County processes so as to cause postponement of the scheduled bid opening, the time specified for receipt of bids will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal County processes resume or to such other date and time as may be provided by the Purchasing Department in a written notice to bidders.
17. **Maryland Buy American Steel Act:** In accordance with the Annotated Code of Maryland—State Finance and Procurement Article, Sections 17-301 – 17-306, Washington County is defined as a Public Body and as such shall require a Bidder or subcontractor to use or supply only American Steel products in the performance of a contract as stated in the above referenced Sections.
18. **Multiple Bids:** No Bidder shall be allowed to offer more than one (1) price on each item even though he/she may feel that there are two (2) or more types or styles that will meet specifications. All deviations from the specifications must be noted in detail by the Bidder, in writing, at the time of submittal of the formal bid. The absence of a written list of specification deviations at the time of submittal of the bid will hold the Bidder strictly accountable to the County to the specifications as written. Any deviation from the specifications as written not previously submitted, as required by the above, will be grounds for rejection of the material and/or equipment when delivered.

Upon notification by the Purchasing Department that a sample is available for pickup, it shall be removed within thirty (30) calendar days at the Bidder's expense or the Director of Purchasing shall dispose of same at his/her discretion. All sample packages shall be marked "Sample for Purchasing Department" and each sample shall bear the name of the Bidder, item number, bid number, and shall be carefully tagged or marked in a substantial manner. Failure of the Bidder to clearly identify samples as indicated may be considered sufficient reason for rejection of bid.

3. **Trade Names/Substitutions:** In cases where an item is identified by a manufacturer's name, trade name, catalog number, or reference it is understood that the Bidder proposes to furnish the item so identified and does not propose to furnish an "equal/substitution" unless submission of an "equal/substitution" is stated otherwise as permissible. Any Bidder who contemplates offering a product that differs from that specified must obtain the County's written approval by submission of his/her request no later than the deadline for receipt of substitution requests as stated in the Supplemental Terms and Conditions. The reference to the above catalog is intended to be descriptive but not restrictive and only to indicate to the prospective Bidder articles that will be satisfactory. The Director of Purchasing hereby reserves the right to approve as an equal, or to reject as not being an equal, any article the Bidder proposes to furnish which contains major or minor variations from specification requirements but may comply substantially therewith. If no particular brand, model, or make is specified, and if no data are required to be submitted with the bid, and after award and before manufacture or shipment, the successful Bidder may be required to submit working drawings or detailed descriptive data sufficient to enable the Director of Purchasing to judge if each requirement of the specifications is being complied with.

5. **Responsibility/Qualifications of Bidder:** The County may make such investigations as it deems necessary to determine the ability of the Bidder to perform the work, and the Bidder shall furnish to the County all such information and data for this purpose as the County may request. Conditional bids will not be accepted. In determining responsibility, the following qualifications, in addition to price, shall be considered by the Director of Purchasing on contracts of purchase and on contracts of sale (if applicable):

**A1. Solid Waste Contractors**

These are the entities that remove the disposed waste materials from the company/facility – not who collects the material throughout the company/facility such as housekeeping or custodial staff.

**Solid Waste** (*i.e.*, trash) **Contractor/Hauler(s):** \_\_\_\_\_

---

---

---

**A1a.** To which Maryland Permitted Solid Waste Acceptance Facility (MPSWAF) was the waste disposed (see “Maryland Permitted Solid Waste Acceptance Facilities” list available in the “County Coordinator Resources” section on MDE’s waste diversion web page at [www.mde.maryland.gov/recycling](http://www.mde.maryland.gov/recycling)) by each of the company/facility solid waste contractor(s)? If the waste was not captured by any MPSWAF, please report as such.

**NOTE:** There is no need to track the waste disposed to the end market. Only the 1<sup>st</sup> MPSWAF needs to be listed. For example if Acme Inc., sent their waste to MPSWAF 1 who sent it to MPSWAF 2 who sent it to Virginia Landfill 1, the waste only needs to be tracked to MPSWAF 1 (*e.g.*, Acme Inc. – MPSWAF 1). If, however, Acme Inc., sent their waste directly to Virginia Landfill 1, then they need to report that the waste for Acme was not captured by a MPSWAF (*e.g.*, Acme Inc. – no MPSWAF).

**A2. Option 1 – Waste Disposed** (Complete Section A2 **ONLY** if waste disposed by a solid waste contractor is NOT captured by a MPSWAF. See Section A1a, above.). Waste disposed totals reported in this section must also be reported in “Table A1 – Waste Disposed” of the “MRA Tonnage Reporting Survey”.

<b>TOTAL</b>				

- \* Categories include landfill, incinerator, processing facility, transfer station.  
 \*\* Categories include but not limited to: mixed trash, appliances, asbestos, asphalt, construction & demolition, food, incinerator ash, land clearing debris, landscaping debris, medical waste, metal, sewage sludge, soil, textiles (e.g., clothes, mattresses, etc.), tires, and other (please detail).

**Option 2 – Waste Disposed** (Use ONLY if A2, Option 1 is not available.)

Calculate approximate tons of waste disposed. The next chart and table will help you determine the amount of solid waste **disposed** by your facility. Number of solid waste dumpsters used by your facility:

_____ 2 yd <sup>3</sup> dumpster(s)	_____ 30 yd <sup>3</sup> open top(s)
_____ 4 yd <sup>3</sup> dumpster(s)	_____ 20 yd <sup>3</sup> compactor(s)
_____ 6 yd <sup>3</sup> dumpster(s)	_____ 30 yd <sup>3</sup> compactor(s)
_____ 8 yd <sup>3</sup> dumpster(s)	_____
_____ 20 yd <sup>3</sup> open top(s)	_____

Use the information above to complete the following table. (Note: Compactor totals need to be calculated in the rows indicated with “Compactor” in the “Size of dumpster (yd<sup>3</sup>)” column at the end of the table.)

Size of dumpster (yd <sup>3</sup> s)	X	No. of this Type of dumpster	X	Frequency of pick-up/week	X	Yd <sup>3</sup> s to tons (0.1) ratio	=	Tons/week	X	No. of weeks /year operating between Jan-Dec	=	Total tons of waste disposed between Jan-Dec
Ex.: 8	x	2	x	2	x	0.1	=	3.2	x	52	=	166.4

\* One ton = 2,000 pounds. See volume to weight conversion table on page 8 to help determine tonnages.

- 1 The material must be composted or mulched and marketed! **Simply spreading a material on a field DOES NOT constitute a composted/mulched material and does not count as a recyclable material.** Composted/mulched material that ends up being disposed in a landfill does not count as a recyclable material.
- 2 Consists of non-source-separated MSW materials (i.e., trash).
- 3 Includes recycling of wood products (e.g., pallets, crates, barrels, wood furniture, canes, crutches, etc.). **Materials must be mulched or composted ONLY.** Otherwise, include in "Other Materials" category.
- 4 Tires that are recycled into new products containing rubber (e.g., trashcans, storage containers, rubberized asphalt, etc.), and use of whole tires for playground and reef construction. **Tires sent to an incinerator DO NOT count as recycling.**
- 5 List the material. If space is needed for additional materials, please use Table B1b.
