ITEM NO. 1: *Inquiry:* I looked at the bid award from last year. I saw that it and the example used are for twenty hours. Last year's winning bid was \$48.00 an hour for twenty hours at a total of \$960.00. Is the twenty hours a set amount of hours used by the county or is the hourly bid used on each job separately?

Response: Part 1 of Item No. 1 herein: The twenty (20) hours listed on the Form of Proposal is a hypothetical scenario, (i.e., the number of hours is a basis to evaluate the bids).

Part 2 of Item No. 1 herein: Yes, the hourly rate is the cost for each job, based on the cost per hour stated on the Form of Proposal submitted by the bidders.

Rick F. Curry, CPPO
Director of Purchasing
