**Correction calculations based on Unit Pricing*

Remarks / Exceptions:

American Test Center, Inc. - This is for the annual inspection only. Does not include pricing if the 5-Year NDT is needed. There are no charges for travel if we are allowed to schedule with other local work.

Mistras Group, Inc. - Partial inspections will be billed at \$125 per hour. The prices listed are firm for three years. Delays and/or stand-by time which causes time over and above the originally quoted job after personnel and equipment has arrived on site, not attributed to Mistras Group, will be invoiced for an additional charge. Partial inspections will also be billed at an hourly rate.

PUR-1542 Fire Service Performance Test / Inspection of Aerial Devices was awarded to: American Test Center, Inc.
