ITEM NO. 1: *Inquiry:* The question referred specifically to SF330 Part II requirements. The response was a little more generic and referenced SF330 forms. Are proposers required to provide a complete SF330 for each subconsultant (Part I and Part II) or only a Part II?

Response: SF330 will not be required for the laboratory in Part II; however, documentation shall be provided to prove the laboratory meets all the prerequisites and certifications as required.
