SUBJECT: Bid Award (PUR-1602) Grinder Pumps for Department of Water Quality (DWQ)

PRESENTATION DATE: May 9, 2023

PRESENTATION BY: Rick Curry, CPPO, Director of Purchasing; Mark Bradshaw, P.E., Division Director, Environmental Management

RECOMMENDED MOTION: Move to award the procurement of ninety (90) Liberty Grinder Pumps from BT Plumbing Supply of Finksburg, MD for a total cost as follows:

Model	Unit Price	Extended Price
LSG202-RE E/One Pump	\$2,386.84	\$35,802.60
LSG202M Omnivore Grinder	\$1,320.52	\$26,410.40
FL102M-2 Effluent Pump	\$753.15	\$11,297.25
FL52M Effluent Pump	\$551.57	\$11,031.40
SXH24=3Simplex Control Panel	\$476.31	<u>\$9,526.20</u>
		\$94,067.85 Total

REPORT-IN-BRIEF: The Invitation to Bid (ITB) was advertised on the State of Maryland’s “*eMaryland Marketplace Advantage*” website and on the County’s website; and in the local newspaper. Seven companies were represented at the pre-bid/teleconference. Thirty-four (34) persons/companies registered/downloaded the bid document on-line.

The Purchasing Department received a request from DWQ regarding the procurement of grinder pumps. This procurement is to replenish the inventory on these pumps to satisfy contractors requests for installation. Previously the County installed E-One grinder pumps to serve the resident of Washington County. E-One no longer offers rebuild kits for our model of pump, thus requiring us to replace the aging E-One pumps. Liberty manufactures a retro-fit system that can be installed into the existing E-One tank without any modification. Whether it is a residential, commercial or industrial application, Liberty provides a wide applicability of retrofit pump packages.

FISCAL IMPACT: Funds are budgeted in CIP account EQP055 for the costs of the procurement.
