INSTRUCTIONS

1. **AWARD OF CONTRACT(S)**: Awards shall be made to the responsible, responsive low Quoter for each product based on location. The County reserves the right to award multiple contracts per item, based on the County's requirements as determined by locations. Carelessness in quoting prices, or in preparation of quotation otherwise, will not relieve the Quoter. Erasures or changes in quotations must be initialed. The successful Quoter(s) shall extend their pricing to the City of Hagerstown. The City of Hagerstown shall issue contracts (purchase orders) independently of that of the County and all financial transactions shall be conducted separately with the City of Hagerstown.
2. **CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION**: The quoter/vendor certifies, by submission of this quotation or acceptance of this contract, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency. It further agrees by submitting this quotation that it will include this clause without modification in all lower-tier transactions, solicitations, quotations, contracts, and subcontracts. Where the quoter/vendor or any lower tier participant is able to certify to this statement, it shall attach an explanation to this solicitation/proposal.
3. **DELIVERY**: Unit prices are to be based on "pick-up" at Quoter's location(s) for Item Nos. 1 through 25. *The Quoter shall attach separately a haul/delivery rate schedule for Item Nos. 1 through 25.* The Quoter shall quote one price per item that he/she is able to provide, regardless of whether the vendor can provide it from more than one location. The County will not award a contract to a Quoter if multiple prices are quoted by the Quoter for each location. *Item Nos. 26A through 26F shall include the cost for the product and delivery to the designated location.*
4. **DISPUTES**: In cases of disputes as to whether or not an item or service quoted or delivered meets specifications, the decision of the County Commissioners or authorized representative shall be final and binding on both parties.
5. **EQUAL OPPORTUNITY**: The Board of County Commissioners of Washington County, Maryland does not discriminate on the basis of race, color, national origin, sex, religion, age and disability in employment or the provision of services. Individuals requiring special accommodations are requested to contact the Purchasing Department at 240-313-2330 Voice, TDD Dial 711 to make arrangements no later than seven (7) calendar days prior to the Pre-Quotation Conference and/or Quotation Opening.
6. **EXCEPTION**: The submission of a quote shall be considered an agreement to all items, conditions, and specifications provided herein and in the various quotation documents unless specifically noted otherwise in the quotation.
7. **INSURANCE**: Upon request and prior to execution of the contract, the successful contractor must show Evidence of Insurance as outlined in the attached copy of Washington County's – *Insurance Requirements for Independent Contractors Policy*.

8. **INTERPRETATION, DISCREPANCIES, OMISSIONS:** Should any Quoter find discrepancies in, or omissions from the documents or be in doubt of their meaning, or feel that the specifications are discriminatory, he/she should at once request, in writing, an interpretation from Aaron Weisner, Procurement Specialist I, Washington County Purchasing Department, Washington County Administration Complex, 100 West Washington Street, Suite 3200, Hagerstown, Maryland, 21740; or send questions in Microsoft Word platform via e-mail to: purchasingquestions@washco-md.net or by submitting questions electronically through the online bidding system at <https://washco-md.ionwave.net>.
- All necessary interpretations will be issued to all Quoters by the Washington County Purchasing Director in the form of addenda to the specifications, and such addenda shall become part of the Contract Documents. Exceptions taken in no way obligates the County to change the specifications. Failure of any Quoter to receive any such addendum or interpretation shall not relieve such Quoter from any obligation under his/her quotation as submitted. The County will assume no responsibility for oral instructions or suggestions. **ORAL ANSWERS WILL NOT BE BINDING ON THE COUNTY.** Any requests received after 4:00 P.M., (EDT/EST), Wednesday, May 28, 2025, may not be considered.
9. **PAYMENT:** Payment will be made within thirty (30) calendar days by each using department after satisfactory delivery and acceptance as required based on deliveries as requested by that department. Invoices shall be submitted in duplicate to each using department. No costs shall be charged in addition to the per-ton unit costs nor to any haul/delivery rate schedule that is furnished with the vendor's quotation response during the contract period.
10. **PAYMENT OF COUNTY AND MUNICIPAL TAXES:** Effective October 1, 1993, in compliance with Section 1-106(b)(3) of the Code of the Public Local Laws of Washington County, Maryland, "If a Bidder has not paid all taxes owed to the County or a municipal corporation in the County, the County Commissioners may reject the Bidder's bid."
11. **POLITICAL CONTRIBUTION DISCLOSURE:** In accordance with Maryland Code, State Finance and Procurement Article, §17-402, the Bidder shall comply with Maryland Code, Election Law Article, Title 14, which requires that every person that enters into contracts, leases, or other agreements with the State, a county, or any incorporated municipality, or their agencies during a calendar year in which the person receives in the aggregate \$100,000 or more, shall file with the State Administrative Board of Election Laws a statement disclosing contributions in excess of \$500 made during the reporting period to a candidate for elective office in any primary or general election. The statement shall be filed with the State Administrative Board of Election Laws: (1) before the purchase or execution of a lease or contract by the State, a county, an incorporated municipality, or their agencies, and shall cover the preceding two (2) calendar years; and (2) if the contribution is made after the execution of a lease or contract, then twice a year, throughout the contract term, on (a) February 5, to cover the 6-month period ending January 31; and (b) August 5, to cover the 6-month period ending July 31.
12. **PRE-QUOTATION CONFERENCE/TELECONFERENCE:**
A Pre-Quotation Conference/Teleconference will be held in person in the Washington County Administration Complex, Third Floor Conference Room 3000, 100 W. Washington Street, Hagerstown, Maryland 21740, **10:00 A.M., (EDT/EST) Wednesday, May 21, 2025**, at which time County personnel will be present to answer any questions. All interested quoters wishing to take part in the meeting via teleconference shall call 240-313-2330 prior to the meeting to receive instructions. All interested quoters are requested to take part in the conference/teleconference. Participation in this meeting is not mandatory, but it is strongly encouraged.

13. **PRICE ADJUSTMENTS:** Price adjustments during this term shall be based on the Maryland State Highway's "Price Adjustment for Asphalt Binder." Quoters shall submit, along with their quote, the prevailing index price of asphalt binder per ton and the design mix of their Hot Mix Asphalt products: 504.04.01 Price Adjustment for Asphalt Binder. A Price Adjustment (PA) will be made to provide additional compensation to the Contractor or a credit to the Administration for the fluctuation in the cost of asphalt binder.

For adjustment purposes, the prevailing base index price will be the price specified for PG 64-22 (PG64S-22) at time of bid opening. Cost differentials between PG 64-22 (PG64S-22) and a binder specified shall be included in the price bid per ton for Asphalt.

The PA will be made when the index price for the month of placement increases or decreases more than five percent (5%) of the prevailing base index price. Computations will be as follows:

$$\text{Percent Change} = ((P_p - P_b) / P_b) \times 100$$

$$PA = T \times Q \times ((P_p - (D \times P_b)))$$

Where:

PA = Price Adjustment for the current month

T = Design target asphalt content expressed as a decimal Q = Quantity of asphalt placed for the current month

P_p = Index price for PG 64-22 (PG64S-22) asphalt binder per ton for the month of placement

D = 1.05 for increases over five percent (5%); 0.95 for decreases over five percent (5%)

P_b = Prevailing base index price for PG 64-22 (PG64S-22) asphalt binder per ton

PA resulting in increased payment to the contractor will be paid under the item Price Adjustment for Asphalt Binder. The item amount will be established by the Administration and shall not be revised by the Contractor. PA resulting in a decreased payment will be deducted from monies owed the Contractor.

**GOVERNMENT WIDE
DEBARMENT AND SUSPENSION**

Background and Applicability:

In conjunction with the Office of Management and Budget and other affected Federal agencies, DOT published an update to 49 CFR Part 29 on November 26, 2003. This government-wide regulation implements Executive Order 12549, *Debarment and Suspension*, Executive Order 12689, *Debarment and Suspension*, and 31 U.S.C. 6101 note (Section 2455, Public Law 103-355, 108 Stat. 3327).

The provisions of Part 29 apply to all grantee contracts and subcontracts at any level expected to equal or exceed \$25,000 as well as any contract or subcontract (at any level) for Federally required auditing services, 49 CFR 29.220(b). This represents a change from prior practice in that the dollar threshold for application of these rules has been lowered from \$100,000 to \$25,000. These are contracts and subcontracts referred to in the regulation as "covered transactions."

Grantees, Contractors, and Subcontractors (at any level) that enter into covered transactions are required to verify that the entity (as well as its principals and affiliates) they propose to contract or subcontract with is not excluded or disqualified. They do this by (a) Checking the Excluded Parties List System, (b) Collecting a certification from that person, or (c) Adding a clause or condition to the contract or subcontract. This represents a change from prior practice in that certification is still acceptable but is no longer required, 49 CFR 29.300.

Grantees, Contractors, and Subcontractors who enter into covered transactions also must require the entities they contract with to comply with 49 CFR 29, Subpart C and include this requirement in their own subsequent covered transactions (i.e., the requirement flows down to subcontracts at all levels).

This contract is a covered transaction for purposes of 49 CFR Part 29. As such, the Contractor is required to verify that none of the Contractor, its principals, as defined at 49 CFR 29.995, or affiliates, as defined at 49 CFR 29.905, are excluded or disqualified as defined at 49 CFR 29.940 and 29.945.

The Contractor is required to comply with 49 CFR 29, Subpart C and must include the requirement to comply with 49 CFR 29, Subpart C in any lower tier covered transaction it enters into.

By signing and submitting its bid or proposal, the Bidder or proposer certifies as follows: The certification in this clause is a material representation of fact relied upon by the *County*. If it is later determined that the Bidder or proposer knowingly rendered an erroneous certification, in addition to remedies available to the *County*, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

The Bidder agrees to comply with the requirements of 49 CFR 29, Subpart C while this offer is valid and throughout the period of any contract that may arise from this offer.

The Bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.
